13 Hurt In 9 of 25 Auto Accidents

Two on Motorcycle, Boy on Bicycle among Victims During Week

Thirteen persons were injured in nine of 25 auto accidents which occurred on Quad-City area streets and highways since Monday. Included were two youths who were on a motorcycle and a small bicyclist.

Billie J. Howard, 19, of 667 Barkley street, Mitchell, driver of a motorcycle, and a passenger, Dean Adams, 17, of 2965 Pershing blvd., were injured when the cycle collided with an auto driven by Marcel T. Patton, 2660 East 24th street, at 8:20 p.m. Wednesday at Faith and Buxton avenues. Howard was unable to observe a stop sign because of wet pavement and was charged with passing a stop sign, police said.

Both cyclists were admitted to St. Elizabeth Hospital. Howard was unconscious and had x-rays of his left elbow. Adams had a front tooth chipped, abrasions inside his mouth and injuries to his left knee and elbow.

Boy on Bike Hit

George Taylor, six, son of Mrs. Bonnie Taylor, 2208 Washington avenue, was injured when the bicycle he was riding was struck by an auto driven by Gerald G. Stagner, 2516 State street, at 6:15 p.m. Monday at 208 Washington avenue.

The boy was on the hood of the auto when it stopped. Stagner said he looked around when he thought that someone had thrown a rock at his car and did not see the boy in time to avoid the mishap.

The boy was taken by ambulance to St. Elizabeth Hospital where he was admitted with a compound fracture of his right leg.

Falls Off Auto

Patrick Higgins, 15, of 2901 Kirkpatrick home, was injured when he fell off the front of an auto being driven by Roger A. Hoover, 18, of 2811 Buxton avenue, at 4:30 p.m. Monday near Marshall school.

He was one of two boys who hopped on the front of the car after Hoover drove to the school to inform them of softball practice that evening, police were told. As the boys preferred to ride there, Hoover drove away and the auto hit a bump, causing Higgins to lose his balance. The injured youth was taken to St. Elizabeth Hospital.

(Continued on page 18, col. 4)

45 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. Gary Gan, 2322 Buxton avenue, June 21, Laura Lee, eight pounds.

BOYS

Mr. and Mrs. Charles Shane, 2145 Woodlawn avenue, June 19, John Edward, seven pounds, 12 ounces.

Mr. and Mrs. Lawrence Hartman, 440 Lincoln avenue, Venice, June 20, Edward Vincent, seven pounds.

Mr. and Mrs. Luther Beeson, 1545 Collinsville avenue, Madison, June 20, William Mark, seven pounds.

Mr. and Mrs. Robert Schuman, 140 Central avenue, June 21, nine pounds, four ounces.

Mr. and Mrs. William Austin, 5025 Lakeview drive, June 22, Todd William, eight pounds, 12 ounces.

Suit to Condemn Nameoki Rd. ROW Filed by State

Condemnation proceedings to secure parcels of property needed as right-of-way for improvement of the south section of Nameoki road from Madison avenue to Highway 162 were filed Tuesday in circuit court at Edwardsville.

The petition was filed by Horace Calvo of Granite City as assistant attorney general representing the Illinois Department of Public Works and the Illinois State Highway Department.

The proceedings are directed against 68 respondents as owners of the parcels involved. St. John's cemetery is named as one respondent because the widening of the road will cut across one section of the cemetery property.

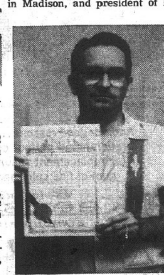

Court to Fix Costs

A hearing has been set for July 24 in the circuit court at Edwardsville. Customary procedure calls for a determination of price awards for the right-of-way in the case of each respondent. After the court fixes right-of-way prices, payment must be made by the state before the court delivers vestment of title to the highway department.

Under this time schedule a call for bids for improvement of the south section of Nameoki road appears likely during the highway department's September bid call. This would mean a contract letting about mid-October, assuming that a bid within engineering estimates is received.

A bid call during the spring or early summer had been anticipated, but again was delayed by procedures necessary to obtaining required right-of-way. Much of the property needed for the project was negotiated by Granite City, which, under terms of agreement with the state, is required to furnish all right-of-way.

Inventor of the "Emergency Landing Apparatus" is Donald E. Caughron, 4702 Kirkpatrick home, a machine operator employed at Owens-Illinois Box Co. in Madison, and president of Lo-

Bellcoff Resigns As School President

Blumenstock to Head Madison Board; Has Served on It 16 Years

John Bellcoff, new Madison city clerk, resigned his position as president of the Madison school board at a meeting Tuesday night. He was succeeded immediately by Oel Blumenstock, a veteran member of the board. Bellcoff has served as president of the board for the past 15 years. He and Blumenstock have been members of the board for the past 16 years. The past president has never missed a meeting. Elected for another three years last April, Bellcoff, 46, plans to continue to serve as a member of the board. He said there is no legal conflict.

He has been active in Madison civic affairs for the past 20 years. He is a former grocer and now is a salesman for a Granite City auto agency.

Teachers Resign

The board also accepted the resignations of Mrs. Sheila Watson, art supervisor, for family reasons, and John Phelan, English teacher at Madison high school, who had accepted a position in the Ladue, Mo., school system.

Supt. Raymond Dragich reported that more than 700 students are enrolled in summer school, employing 28 teachers, two more than a year ago. The students include underachievers and some who are doing make-up work.

In a youth work corps report, the superintendent said five persons are assisting custodians and 11 others are assigned to the district's recreation program. This summer, during the school year, about 45 youths were working in the schools.

Supt. Dragich reported that a new contract offer for teachers is still being delayed, pending the outcome of General Assembly action in determining the amount of 1967-68 state aid to schools.

No Money, No Raise

Members of the board commented that if there is no increase in state aid, no funds will be available for salary increases. The legislators are to vote on June 30, and may raise the

(Continued on page 3, col. 4)

Gene Sternberg President-Elect of Optimist Internatl.

Gene H. Sternberg, 2822 Cleveland blvd., former city alderman and operator of a Granite City construction firm for 17 years, was named today as president-elect of Optimist International at the 49th annual convention in Portland, Ore.

Sternberg, 48, has been active many years in the Granite City Optimist Club and Optimist International. He is a past president of the Granite City club.

He is a former vice-president of Optimist International, a post to which he was elected in 1961. He also is a former governor of Optimist District 8 and served for several years on the membership and attendance committees of Optimist International.

Heads Contracting Firm

Sternberg is president of the G. H. Sternberg & Co., general contractors, at 1609 Delmar avenue, a firm he founded in 1950. He is a member of the board of trustees of Eureka College and a member of the executive board of Cahokia Mounds Council, Boy Scouts of America, which he also has served as president. He is a member and a past director of the Granite City Chamber of Commerce and a past member of the YMCA board of directors.

For many years Sternberg has been active in civic and youth work, taking part in United Fund and Red Cross solicitation campaigns. He is a member of the Legion of Honor, Order of DeMolay.

In 1955 he was presented with a gold watch by the Optimist International. He is a past president of the planning meet-

Whirlwind Damages Five Homes In Mitchell; No One Is Injured

By Press-Record Staff Photographer
BADLY DAMAGED HOME of Mr. and Mrs. George Churovich, 908 E. a S. Chain of Rocks road, that was hit by a small twister about 4:15 p.m. Tuesday that passed through the Mitchell area. The Churovich family was not at home. In the foreground is a boat that was blown against a fuel storage tank. (Other pictures on page 4.)

By Press-Record Staff Photographer
INSPECTING DAMAGE inside his home is George Churovich, who was in St. Louis with his family when the storm struck. Flying glass cut mattresses and the cotton was blown throughout the house.

A sudden twister from the southwest swept through the Mitchell area about 4:15 p.m. Tuesday, damaging five homes and a shed, but causing no injuries. Damage was estimated at "several thousand dollars."

The path of the small tornado was about 200 feet wide through the south end of the 100 blocks of Troecker and Kinder lanes between old U.S. 66-40 and new Interstate Route 270, and hardest hit was the frame home of Mr. and Mrs. George Churovich at 908 East Chain of Rocks road.

Luckily, Mr. and Mrs. Churovich and their four children were not at home. The parents were in St. Louis, and the children were with relatives.

The twister knocked over a tin shed, blew small rugs and negligee high onto utility wires, blew off roof shingles, damaged trees, and in a stronger touch-down blew out the south wall of a storage shed at the Churovich home and also spun his parked pickup truck from the driveway alongside the house into the edge of a beanfield about 25 feet away.

Sky Had Been Clear

The arrival of the strong whirlwind was unexpected and sudden as the skies were clear and then suddenly became dark and a few drops of rain fell.

Mrs. George Sudham, 154 Troecker lane, whose patio furniture was tossed about in several other yards, said she heard a crash and ran to her front door, thinking there was an accident on nearby I-270. "I heard a crash and thought it was a state police car siren; then I saw this tremendous dust storm coming toward the house."

"I was just finishing my housecleaning when all this wind and dust blew through the house," her next door neighbor, Mrs. Robert Cochran, of Troecker lane, also heard a crash and went to investigate. "I saw the dark clouds and dust blowing and then I saw the Mitchell fire department pull up at a house across the way."

"Then I noticed there was no fire, and that the crash was debris blowing about. The children and I rushed inside and dove under a bed. It was all over in a matter of moments."

Porch Unroofed

A section of the front porch roof at the Cochran home was unroofed and metal gutters were blown down. A section of someone's white car was blown to the top of a willow tree in their back yard.

On Kinder lane, there was damage to siding, roof shingles and metal awnings at the homes

(Continued on page 5, col. 1)

Tentative UF Goal Set at \$384,000

A tentative 1968 goal of \$384,000 for the Tri-Cities Area United Fund was announced yesterday by Gerhard Ansel, co-chairman of the new campaign, who presided at a meeting of the campaign committee.

The goal is about 6% higher than last year's \$362,000 and is subject to review by United Fund board of directors that is to meet next Tuesday to hear agency budgets set by the Admissions and Distributions committee.

Yesterday's meeting of the campaign cabinet was a luncheon session held at American Steel Foundries conference room and cafeteria. Campaign Chairman M. B. Miloski was absent due to illness.

Present for the planning meet-

GC Man Gets Patent on Emergency Landing Apparatus for Planes About to Crash

The U. S. Patent Office has granted a patent to a Granite City man for his design of a relatively simple, but unique device, which may revolutionize current procedures in high-speed crash landings of aircraft and subsequently promote safer flying conditions for military-civilian pilots and commercial airline passengers.

Inventor of the "Emergency Landing Apparatus" is Donald E. Caughron, 4702 Kirkpatrick home, a machine operator employed at Owens-Illinois Box Co. in Madison, and president of Lo-

cal 5109, United Steelworkers of America.

Primary objective of his invention is to reduce the enormous impact that results from crash landing aircraft when motive power is lost, through release of a series of individually actuated parachutes designed to retard forward motion of a plane and lower it horizontally to the ground. A New York firm has offered to develop a test model with a light plane.

Caughron describes his idea as "revolving around the ability to get down an aircraft cushioned by the emergency parachute system and afford additional protection for passengers with a compression coil spring unit located between the fuselage and a depressible floor."

Civilian, Military Planes

The inventor noted that the parachute apparatus principle could readily be adapted to advantage in use on jet fighter planes. Military pilots forced to bail out when a flame-out occurs, he said, could activate the emergency landing device prior to ejection, enabling the valuable aircraft to land with a minimum of damage.

He commented that a jet fighter costs in excess of \$1 million and, at the present time, a crash landing usually results in the machine's total destruction.

Described in the patent as a complete emergency landing apparatus which can be installed without difficulty in all types of commercial, military and private aircraft, Caughron further explained his idea.

"When an aircraft has a failure in motive power, a centrally-placed parachute, located in the tail section, is opened immediately halting the forward motion of the plane."

While the tail chute opens in a rearward direction upon initial release, the designer noted, the chute will assume a vertical position as soon as the plane's motion forward is retarded and two adjacent tail chutes are then activated.

In 1955 he was presented with a gold watch by the Optimist International. He is a past president of the planning meet-

lowed immediately by the release and opening of three parachute units spaced apart on the upper portion of the fuselage. The six fully-opened chutes will gently lower the aircraft toward the ground.

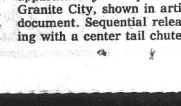

In a commercial airliner, a series of compression coil springs are mounted between the fuselage section and the floor, Caughron explained.

Thus upon impact of the air-

craft with the ground, the fuselage section, at first, will be driven upward to a limited extent, after which the floor will be permitted to descend, cushioned by the springs and producing an overall shock-absorbing effect upon the floor to minimize shock to the passengers.

A third feature of his patent involves the hydraulic mechanism and compartments from which the parachutes are released.

(Continued on page 3, col. 1)

PRINCIPAL FEATURE of an emergency landing apparatus system patented by Donald Caughron of Granite City, shown in artist's sketch from the patent document. Sequential release of six parachutes, starting with a center tail chute (noted in its initial release

and later vertical position), is designed to lower an aircraft gently to the ground when motive power is lost. Impact is cushioned with a depressible floor section. With minor modification, the principle can be adapted for military, private or commercial aircraft.

(Continued on page 3, col. 1)

McKinley Traffic Up, Drivers Avoid E. St. Louis Span

In the midst of a traffic carnage, the McKinley Bridge set a new May record last month with 426,125 crossings, latest available figures show.

The record is attributed by Vanice Mayor John E. Lee and Bridge Manager Henry McKimlin to the East St. Louis area bridge congestion stemming from repair work on various lanes of the Veterans Memorial Bridge, which is owned by the city of East St. Louis.

Previous May record was 432,515, set in May 1966.

A breakdown for the past month shows 14,470 crossings in the first week, 99,235 in the second week, 101,944 in the third week, 100,389 in the fourth week and 40,114 during the final three days of the month.

Daily McKinley Bridge average for May 1967 was 14,988 autos, buses and trucks, and the average for the fiscal year that began in October 1966 is 13,945, based on a total of 3,169,926 for the eight months or 243 days.

In the first eight months of the fiscal year, traffic totaled 3,329,534. Grand total for October 1966-September 1967 was a new high of 5,088,569, first time the Venice-owned bridge carried more than five million vehicles in a year.

The present downturn in McKinley Bridge usage, reversed currently by the East St. Louis traffic delays and inconvenience, began with the opening of the Interstate Route 270 free bridge Sept. 2, 1966.

Granite City PRESS-RECORD
Page 2 Thurs., June 22, 1967

Tomato Plant Breakage Solved

A Granite Cityan has been perplexed to find one of his tomato plants broken upon inspecting his garden in the mornings. He made the discovery each morning for three mornings.

Thinking it might be his children, he talked to them and learned otherwise, and later he commented on the unusual circumstances while with a group of acquaintances.

An expert gardener advised him to watch the plants closely in the morning to see if it wasn't a startling snipping at the leaves. He made the early morning surveillance and found that it was a startling snip who would grab a leaf and then back up along the ground, pulling off the leaf and snapping the young tomato plant stalk.

The solution—offered by the expert—a piece of string tied to the support stick by the plant with a piece of twine on the end to blow around.

Result—no more broken tomato plants.

Say Annexation Suit to be Filed

A circuit court proceeding challenging the legal right of Granite City to annex the 20-acre Grigsby junior high school site is being prepared and will be filed within the next week to ten days, the Nameoki township board was told in regular meeting Tuesday night.

Harry Briggs, Nameoki township supervisor, also told the board that a law suit for \$1500 to pay for work done by the township highway department in the repair of five blocks of street in State Park Place will be filed in a few days against the municipally owned water department of the city of Collinsville.

Nick Vasiloff, township attorney, said the annexation suit is being prepared in his office for filing with the circuit court clerk soon. The petition will challenge Granite City's legal right to annex a section of Portion road so that it could annex the school site without a referendum. State law permits annexation of contiguous territory without a vote, but the township contends that in this case Granite City had to extend its annexed territory along Portion road to reach the school site.

The board considered only routine business during the brief session. It approved a motion to purchase two instant developing cameras to be used by township inspectors and discussed ways and means of halting long delays by trains at township railroad crossings.

Speeding Charge Filed

Richard A. Grotzstadt, 2039 Portion road, was charged with speeding at 2200 State street at 9:25 a.m. Wednesday.

Gift for SIU Library

A collection of some 3000 volumes chiefly devoted to Oriental and Western philosophy and religion has been given to Southern Illinois University's library in memory of Prof. William Henry Harris, a member of the philosophy faculty at Carbondale for a decade until his death last fall.

The gift came from Harris' son, Mrs. Mary Harris of Kansas City, Mo.

MORE ABOUT GC Man Gets

life resulting from high speed air crashes," Caughron said that Washington, D. C., patent officials expressed surprise that no one had applied previously for a patent on similar emergency landing apparatus.

The local man filed for a patent in May 1962 and, after the customary and thorough investigation period, received his official "Letters Patent" from the Commissioner of Patents just seven weeks ago. His exclusive rights to the idea and all ensuing benefits are protected for the next 17 years.

Caughron made his initial sketches several years ago... then I put them away in a closet for two years before deciding to review the plans and process them further," he pointed out that his mother had encouraged him in his endeavors and later his wife urged him to continue to promote his invention.

Gitta Caughron is a native of Germany and her parents and family still remain in the Eastern sector. She and her inventor husband were married in Germany in 1957, while Caughron was serving three years with the U. S. Army Combat Engineers and Gitta was working in West Germany.

Has Three Children

They are the parents of three sons, Danny, nine, Gary, five, and Donald, four. Caughron has been employed at the Madison firm since moving to Granite City.

The inventor is unable to define his unusual keen and dedicated interest in designing a means by which the risk of air travel could be diminished. No one among his family or friends has lost their life in a plane crash, he said.

Caughron added, however, "Some incident triggered my imagination... possibly an air mishap while I was in my late teens. I've been thinking about the subject for a long, long time. Commercial aircraft have no individual parachutes for passengers. In case of engine trouble, the pilot is forced to make a high-speed dangerous landing... there just isn't any other way down."

He commented on the recent crash of a privately-owned Cessna aircraft, piloted by a St. Louisan, which was found near Jefferson City, Mo., with five dead aboard.

"Such a parachute relay system as I propose could have prevented the plane from crashing into the thickly wooded area, which apparently resulted in the deaths of all those aboard," Caughron said.

Aided by Engineer

He explained the detailed specifications, complete sets of blueprints and other necessary data required in securing the patent were handled for him by St. Louisan engineer in New York, whom Caughron contacted and asked for assistance in drafting the technical presentations.

Since the patent has been granted, many offers of help, including financial, have been received by the inventor. Letters

DEMOLAY INITIATES of the Roy L. Willmizig Jr. class who became members of the Granite City chapter Tuesday night, are left to right—Lynn D. Jones, Larry A. Marlette, Kenneth R. Kessler, Willmizig, Claude H. "Butch" Gozia, Ronald G. Wilson and Charles M. Rivenburgh.

Six Members Initiated Into DeMolay Chapter

Granite City Chapter, Order of DeMolay, conferred the initiatory degree on six candidates of the "Potentate Roy L. Willmizig Jr." class at the Masonic Temple Tuesday night in observance of Shrine Appreciation Month.

The new members are Lynn D. Jones, Claude H. Gozia, Kenneth R. Kessler, Larry A. Marlette, Charles M. Rivenburgh and Ronald G. Wilson.

The DeMolay flower talk was given by Charles Ringering, Willmizig, potentate of the Almad Temple, is the first senior DeMolay of the Granite City chapter to be so honored and to receive the designation of 33rd degree Mason.

Other master Masons, Shriner and guests at the ceremonies were Joseph Bilbey, Charles C. Chapman, John E. DeHart, Robert Holton, Wallace A. Holton Jr., Howard H. Hampton, Louis Marlette, Robert E. Reed, Eugene Ross and Owen E. Sullivan.

During the business meeting, it was announced that the chapter's softball and track teams will compete in jurisdictional tournaments at 10 a.m. Saturday at Parsons field, East St. Louis. The teams will leave from Reese Bellemore store at 9:30 a.m.

The Mothers Club served refreshments after the meeting. from individuals in St. Louis, Texas, Florida, California, Ohio and Washington have arrived. Most seek additional information about his idea.

Caughron believes the system can readily be installed and tested by utilizing a jet fighter plane as the experimental model. However, he said, as yet the Department of Defense has not shown interest in the proposal.

Convinced the need for such an emergency landing apparatus is essential with the increasing amount of commercial flight and privately-owned aircraft, Caughron again is pondering and evaluating his invention. More than ever, he wants to see the practical end results of his idea—conceived as a teenage daydream which may develop into a reality blessed by many.

The board authorized the superintendent to prepare a tentative budget and appropriation ordinance for the new school year to be presented at the Aug. 15 meeting, with final adoption on Sept. 15.

The old budget was amended by transferring \$3865 from the contingency fund to other funds. Included were \$2195 to the capital outlay fund, \$1155 to the community services fund, \$290 to the school lunch fund and \$45 to the attendance fund.

The board renewed its student insurance agreement with the John Mull agency of Bethesda, Md. Rates are unchanged except that the junior high school level will be the same as the high school level.

Eight Project Head Start classes are in operation, Sept. Dragich reported, including six at Blair school and two at Harris school lunch fund, including deductions of \$1607.

May bills approved were \$2304 from the educational fund, \$1084 from the Project Uplift fund, \$8847 from the building fund and \$3790 from the lunch fund.

The school treasurer's report showed a cash balance of \$238,349.

Employment Sag In Primary Metal Field Forecast

Up slightly over the late spring toll, the employment sag in primary metal is sharp, from 18,318 to 16,240, by mid-July, statistics compiled by the Illinois State Employment Service disclose.

Malcolm A. Thompson, manager of the ISES office in Granite City, reports that present non-manufacturing employment may rise from 4754 to 4906, and non-durable goods manufacturing jobs may remain fairly stable, dropping from 1311 to 1282.

But employment for manufacture of durable goods is likely to slump from 12,253 jobs to 8152. Virtually all of this expected change is in two categories: workers at six primary metal industries decreasing from 10,499 to 7614 and employees at a transportation equipment firm falling from 1413 to 200. The trends include changes that are only temporary in nature and those of possibly longer duration.

Work Force Listed

A complete breakdown of current (mid-May) employment follows: Durable goods manufacturing—lumber and wood products, 72; primary metal industries, 10,499; fabricated metal products, 237; transportation equipment, 1413; miscellaneous manufacturing industries, 32; total for durable goods, 12,253.

Non-durable goods manufacturing—food and kindred products, 890; paper and allied products, 118; printing, publishing and allied, 125; chemicals and allied products, 115; petroleum refining and related industries, 84; rubber and miscellaneous plastics products, 29; non-durable total 1311.

Non-manufacturing—contract construction, 342; transportation and warehousing, 59; communications, electricity, gas and other services, 804; wholesale trade, 77; retail trade, 636; finance, insurance and real estate, 205; non-professional services, nine; professional, educational and related services, 602; government, 1960 (1756 federal government, 10 state government and 194 local government); total non-manufacturing, 4754.

The present totals are similar to those of mid-March 1967, when the 18,296 working included 12,356 in durable goods, 1303 in non-durable and 4637 in non-manufacturing.

A year ago, May 15, 1966, the grand total was higher, 19,415, due to more being employed in heavy manufacturing.

The figures then were 13,586 for durable goods, 1331 non-durable and 4496 non-manufacturing.

Charles Papp Sr., 85, Dies in East St. Louis

Charles Papp sr., 85, of East St. Louis, whose son, Charles Papp jr., resides in Granite City, died unexpectedly at 6:45 p.m. Tuesday. He was found on the roadside of the 500 block of 52nd street.

Born in Hungary, he lived in East St. Louis 60 years. He was a retired operator for the Aluminum Ore Co. and was a member of the 25 Year Club of Alcoa and of the William Penn Association. His wife, Mrs. Julia Papp, died in January, 1964.

In addition to his son, he is survived by a daughter, Mrs. Stephen (Irene) Spirk, Colorado Springs, Colo., six grandchildren and five great-grandchildren. Funeral services were held yesterday.

An obituary notice appears elsewhere in this issue.

Public Library Bookmobile Now on Summer Schedule

The bookmobile of the Granite City public library will be at these schools and locations from 4:30 p.m. on the following dates:

Sacred Heart on Mondays—July 3, 17 and 31.

Webster school on Tuesdays—July 18 and Aug. 1.

Frohhardt school on Wednesdays—July 5, 19 and Aug. 2.

Washington school on Thursdays—July 6, 20 and Aug. 3.

Nameki school on Fridays—June 23, July 5, 21 and Aug. 4.

St. Elizabeth's school on Saturdays—June 26, July 10, 24 and Aug. 7.

Wilson school on Tuesdays—June 27, July 11, 25 and Aug. 8.

Marshall school on Wednesdays (1:30 p.m.)—June 28, July 12, 26 and Aug. 9.

Kirkpatrick Homes on Wednesdays (4:30 p.m.)—June 28, July 12, 26 and Aug. 9.

Niedringhaus school on Thursdays—June 29, July 13, 27 and Aug. 10.

Bellemore Village shopping center on Fridays—June 30, July 14, 28 and Aug. 11.

3 Fireworks Arrests

Three youths were arrested on charges of discharging fireworks at the Snack Shack drive-in, 2167 Washington avenue, at 9:50 p.m. Tuesday. They are Clarence W. McKeel, 18, of 2714 Cayuga street; Donald H. Smith, 19, of 2032 Warren avenue; and Herschel Baker, 19, of 2313 Edwards street.

Backs into Parked Auto

An auto being backed from a driveway by Barry G. Sykes, 2532 Benton street, struck the left door of the parked auto of John Lisac, 1600 Amos avenue, at 1:10 a.m. Wednesday at 24th and Adams streets.

Vacancies for 2 YMCA Youth Department Trips

Due to the rain Wednesday, the YMCA Youth Department was forced to postpone a trip to Grant's Farm. However, the trip has been rescheduled for Wednesday, July 12.

There are still vacancies for the trip. "Y" members pay \$1, and non-members pay \$1.25. Space is also available for a 4½-hour Admiral boat excursion Wednesday, June 28. Those making the trip will be asked to pack a sack lunch. "Y" members pay \$1.50, and non-members \$2.

Those interested may register for both of the trips at the Youth Department office in the Granite City YMCA, Youth Director Charles Hasse said.

GC Alderman Files Protests At N&W Hearing

Granite City justifies service of the Wabash Cannonball and Banner Blue Trains for the volume of express business it provides, Charles W. Moerlien, first ward alderman of the Granite City council, told an Interstate Commerce Commission hearing Tuesday afternoon on a plea by Norfolk & Western Railroad for permission to eliminate the two passenger service runs.

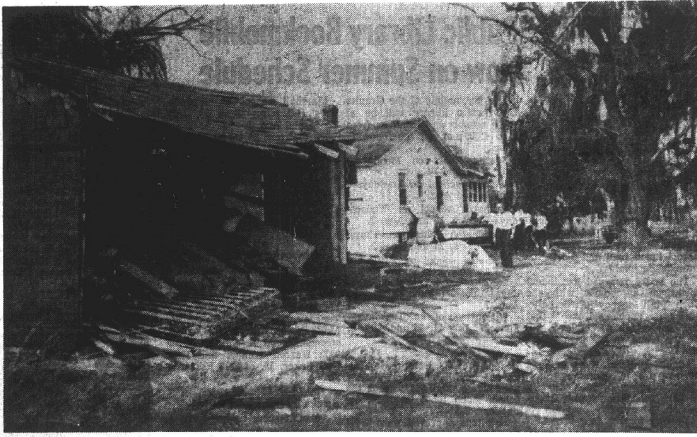

In addition, the alderman, who is an employee of the Norfolk & Western Railroad, told the hearing that if the railroad kept its passenger stations and trains in better condition, it would have enough passengers to keep the service operating.

Moerlien, a railroad employee for 46 years, was one of the last few witnesses to testify during a two-day hearing that opened in St. Louis Kell Auditorium Monday before Hearing Examiner Richard S. Ries.

First of 6 Hearings

The hearing was the first of six scheduled by the ICC to consider a Norfolk & Western request to discontinue what the railroad terms "unprofitable operation" of four of its passenger trains—two in its St. Louis to Chicago service and two between St. Louis and Detroit. The hearing ended at 5:30 p.m. Tuesday. No schedule has been announced for further hearings.

The railroad proposes to discontinue two Banner Blue runs from Chicago to St. Louis and

TWISTER DAMAGE was extensive Tuesday about 4:15 p.m. when it hit the home of George Churovich, 908 East Chain of Rocks road, at Mitchell. A side wall was blown out of a storage shed, the house siding and windows were broken and smashed and a pickup truck

Trains 301 and 304 known as the Wabash Cannonball in the Detroit-Fort Wayne-Decatur-St. Louis service.

Moerlien represented the Granite City council at the hearings to express opposition to abandonment of the two services. Moerlien was asked only one question on cross-examination: How long had he worked for the railroad.

When Moerlien replied that he worked 46 years as a railroad man, the railroad attorney dismissed him.

Edwardsville Opposes Plea

Opposition also was expressed by Albert H. Paul, manager of the Edwardsville Chamber of Commerce, who, like Moerlien, told the hearing that N & W's failure to clean trains and stations and operate trains on time was a principal factor in the railroad's loss of passenger income.

The N & W bases its plea for abandonment of the services on a reported downward trend of 36.2% in patronage and a loss of \$573,322 last year and a loss of \$420,556 during 1965.

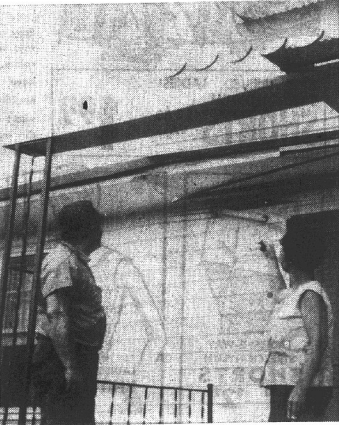

C. Ray Fountain, transportation manager for the railroad's western region, said he examined the trains about once a month in their normal runs and found them clean and usually on time. He said all passenger cars on the trains involved are modern lightweight all-steel cars and are air conditioned. He said that even though \$7.5 million dollars had been spent in advertising in the last 14 years, use of these trains by the public continued on a downward trend.

FATHER'S DAY PICNIC

The Horseshoe Lake Rod and Gun club held a Father's Day picnic Sunday.

On Wednesday evening, the picnic workers were served a supper.

Those attending the workers' party were Mr. and Mrs. Leonard Martin and children, Terry, Glen and Lynn, Mr. and Mrs. Dorothy Trachsel, Mr. and Mrs. Ray Fogarty, Mr. and Mrs. Don

King and son, Don Jr., Mr. and Mrs. Tiny Williams and daughter, Kathy, Miss Gale Dion, Joe Deelle, Tony Shrutts, Virgil Layton, Mary Smith, Mr. and Mrs. Joe Robinson, Mr. and Mrs. Kenny Lever and Ervin Mueller.

RETURN FROM FLORIDA

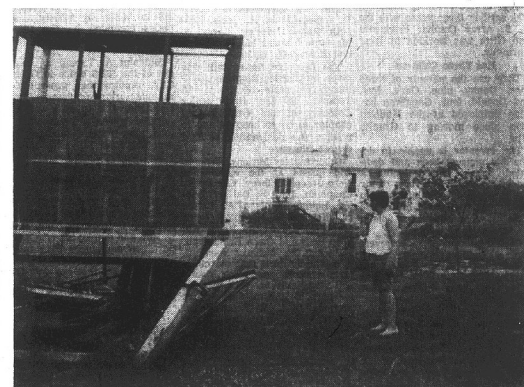

Mr. and Mrs. Don Parker returned home from their Florida vacation Sunday.

Mr. and Mrs. Joe Robinson were visited through Monday by Mrs. Nellie Holtmann.

GO TO CHURCH SUNDAY

HOUSEHOLDER LOUIS PEACH (on ladder) inspects shingle damage on the roof of his home, 135 Kinder lane, Mitchell, as workmen carry out repairs. Rosebushes in his yard were uprooted and a fence also was damaged.

POINTING IN DIRECTION the twister came from, 12-year-old Gerald Ashford stands by the damaged clubhouse in the yard at his grandmother's home. He and another boy, John Katzman, were in the clubhouse when it began blowing over. They ran inside the house at 139 Kinder lane.

Michel Named to Hospital Associates for Building

A. E. "Tony" Michel, local Board.

Jeweler, has been appointed as one of the current hospital fund drive and representatives from all corporations who are in this same bracket, plus members of the soliciting organization who produced \$3000 or more are eligible to become Associates of St. Elizabeth Hospital.

Michel will be in touch with persons in this category in relation to setting up a five-man executive committee which will work with the Sisters, the Lay Advisory Board, the medical staff, the hospital consultant, the architect, and the contractor in expanding and modernizing of St. Elizabeth Hospital.

Persons holding cards in the present intensive phase of the campaign are asked to return all cards not contacted to the campaign office by Monday, June 26. Campaign offices will remain open until June 30 when fund-raising activities will be transferred to offices in the hospital's Tri-Cor building.

Work on the final audit is now in process and an audited figure from Ernest A. Karandjeff, campaign treasurer will be released next week.

Fire at Nesco Barrel

Firemen were called to the Nesco Steel Barrel Co. at 4:55 p.m. Monday as a fire was believed to have started by a cutting torch near an outside window. Firemen were on the scene an hour and 15 minutes and utilized a booster hose.

LEADER
DEPARTMENT STORE
1014 N. ST. GRANITE CITY

MORE ABOUT

Whirlwind

of Mrs. Jessie Sayers, 139 Kinder lane, and Louis Peach, 135 Kinder lane.

Peach, an employee at the Blast Furnace department at Granite City Steel Co., told the Press-Record he was on the back porch and had to hold onto a metal support post "keep from blowing away." Shingles on his roof were ripped away, and rosebushes were uprooted by the twister.

Boys in Clubhouse

Twelve-year-old Gerald Ashford of 143 Kinder lane was visiting his grandmother, Mrs. Sayers, and was in a stilted clubhouse there with a companion, John Kazman, when the storm hit.

"We heard the storm coming and saw the darkness move in and the dust. Then we saw things blowing around, and the clubhouse began to sway, so we jumped down, and ran inside," the boy said.

Only a few yards away from the damaged clubhouse, a tin storage shed at the home of the Sayers' home was blown over.

Owners of the damaged home began immediate repairs.

Peach had two men repairing shingles on his house within an hour after the storm hit. The Cochran family and Mrs. Stidham began gathering up scattered lawn furniture and picking up other items that had blown into neighbors' yards.

Just two blocks away, Little League ball players in uniform, who had been home getting ready when the storm hit, were out on their diamonds preparing to play. Householders without damage, were going about routine chores of lawn cutting and picking up scattered papers and debris.

At the Church home, several hundred yards south of Old 66-40 and just east of Route 111, neighbors and relatives were trying to clear up the scattered belongings when Church returned home. "Thank goodness we weren't here," he commented.

First hit at the Church home was a frame storage shed where the south wall was blown out. The twister then hit the house, blowing out most of the windows and scattering books and furniture inside. In blowing through the house, the wind shattered windows on the north side, and a window fan was torn loose. A swing set that was in the side yard was crumpled and blown nearly a block away.

Outside the house, two boats stored in the yard were tossed about and damaged. Church had a black pickup truck parked in the driveway, and it was picked up and moved 25 feet.

A neighbor, Ronald Gumbler, 738 East Chain of Rocks road, told the Press-Record, "There was nothing that looked like a funnel cloud. All we could see was dirt and debris, but you could follow it from this."

"There weren't many clouds, but four or five very big drops of rain fell just before the wind hit. The sky was completely overcast within about a half-hour after the windstorm."

Saw Truck Moved

"We saw it damage the home of George Church just across the field from us, and it moved a pickup truck about 15 or 20 feet and turned it at a right angle."

Debris from the smashed shed wall broke siding shingles on the Church home, and there was extensive damage to the roof. Sightseers were kept away

Much More to be Done in EOC Work, Director Says

While Madison county has accomplished much in its war on poverty, much more can and will be done in the months to come, Maurice S. Harris, executive director of the Madison County Economic Opportunity Commission, said in an annual report to commission members Monday night.

He pointed out that within one year the commission has undertaken five programs including the Neighborhood Youth Corps, legal services, Head Start, On the Job Training, and the Neighborhood Center Project with cost of the projects running about \$319,000, including \$100,000 in administrative expenses.

This includes about \$125,000 yet to be spent for the Summer Head Start program and \$54,388 for neighborhood centers. The work was presented during a meeting in Edwardsville at which James M. Bailey, assistant principal at Altamont high school, was re-elected president of the Madison county commission.

Harris also outlined a proposed new program providing opportunities to young people to work, play and learn. The new program, entitled "Summer Opportunities Unlimited" would

provide such features as sending approximately 200 youngsters to Scout camp, providing "vest to pocket" playgrounds consisting of vacant lots cleared and supervised by young people who would work for the commission, a survey of heavily populated areas to update housing information, arrangement of trips to points of interest in St. Louis, Springfield, Salem and similar locations.

Reports Developments

Harris in his report explored in detail the development of the program sponsored by the Madison county EOC. He said in reference to the Neighborhood Youth Corps program that "much has been accomplished, but we recognize the fact that much remains to be done."

Harris said that more than a half a million dollars in wages has been paid young people during the past year.

He also reported that the commission was re-elected during the meeting. They included: Fern Hornberger, first vice-president; Hugh Hairston, second vice-president; Mrs. Virginia Korteck, secretary, and Douglas E. Fisk, treasurer. Howard Parker was elected assistant secretary.

lain, Mrs. Mary Hlava, to open the meeting with the Lord's prayer, and reports were read and approved.

The main topic of discussion by the group was the annual Madison Fourth of July celebration, in which various organizations of the city participate.

Miss Margaret Ann Bots, daughter, Mrs. Ann Bots and daughter, Mrs. Margaret Ann Bots, were welcomed as new members.

Hostesses, Mrs. Josephine Kossowich, Mrs. Hazel Swager and Mrs. Veronica Kluck, served refreshments at the Sportsman's Club to these mentioned and Mrs. Sally Maers, Mrs. Cora Barr, Mrs. Maxine Costoff, Mrs. Nigel Maers, Mrs. Ann Balczak, Mrs. Nettie Gogowski, Mrs. Fannie Fisk and Mrs. Marie Stawar.

Mrs. Fisk was the prize winner for the evening during a social period.

PHIBIAN CLASS PLANS JULY PICNIC

The June meeting of the Phebe Sunday school class of the First Baptist Church of Madison took place Tuesday evening in the educational building of the church.

Mrs. George Brown led the group in prayer, followed by the devotion in which she used as her topic "A Good Woman," pertaining to the Bible.

Mrs. Jewel Ratliff gave a Bible reading, after which each member responded to roll call with a verse from the Bible. A member of the class has been hospitalized recently, and the members are to prepare a basket of fruit and other articles for her. She is now at home recuperating.

Members will make cancer bandages again in the fall, continuing the project. Those taking part in the meeting were Mrs. Gladys Patterson, Mrs. Jewel Ratliff, Mrs. Pearl Kinsley, Mrs. Eula Lively, Mrs. Ora James, Mrs. Ruth Colwell, Mrs. Nell Montgomery and Mrs. Vas Williams.

Mrs. Montgomery and Mrs. Brown served refreshments. Plans are being made for a picnic during July.

Madison

MRS. LENNA WILLIAMS
1638 Sixth Street

VOTA VITA CLASS TO HOLD FAMILY PICNIC

Mrs. Marie Lassen was hostess to the Vota Vita Sunday school class of the First Baptist Church of Madison in her home on Rural Route one, Granite City, Monday evening.

The monthly meeting opened with prayer by Mrs. Pauline Pinkley.

For the devotional, Mrs. Virginia Gullede used the topic "Witnessing for Christ," with a discussion following the topic.

Mrs. Betty Rogers, president, led a short business session at which plans for a family picnic for the class members were made. It is to be held at Wilson Park July 17. Mrs. Gullede dismissed the group with prayer.

A social hour was held, after which the hostess served refreshments to those taking part in the meeting and Mrs. Bonnie Jackson and sons, Norma Eaves and son, Mrs. Jane Leach, Mrs. Dorothy Oliver, Mrs. Shirley Blackburn, Mrs. Margaret Forsee and the class teacher, Mrs. Pinkley.

LADIES ORGANIZATION DISCUSSES FESTIVAL

Mrs. Sally Bosworth, president, conducted a meeting of the Madison Ladies City Organization Monday. She called on the chap-

lain, Mrs. Mary Hlava, to open the meeting with the Lord's prayer, and reports were read and approved.

There was only minor damage to utility lines.

While a weather alert was sounded for the Wood River and Edwardsville areas after the storm hit Mitchell, there was no alert given for Granite City, Madison or Venice.

Sheriff Mason alerted county Civil Defense personnel to be ready in the event further damage was incurred.

Markley Photo

YOUTHFUL VANDALS destroyed eight Madison trees along the boulevards of three street locations in Madison. Three of four trees damaged in the 1300 block of Third street are shown in the photo. Three boys apprehended by police have been ordered to dig up the trunks and level the ground. The trees, planted about four years ago, will be replaced this fall.

LAMP Getting Support Throughout Area

Massive new support from both labor and management groups for LAMP, the Labor and Management Plan sponsored by the St. Louis Regional Industrial Development Corporation, was reported today by D. Reid Ross, RIDC executive vice-president. Since the plan was first proposed in March, 685 local labor unions and 320 business firms, among them many of the area's largest employers, have endorsed it, Ross said.

Most powerful new impetus to implementation of LAMP came Tuesday night when the St. Louis Labor Council, AFL-CIO, representing 450 local unions in the area, formally endorsed the plan. Oscar A. Ehrhardt, secretary-treasurer of the Labor Council and a member of the RIDC Executive Committee, has been a key figure in enlisting area-wide labor support, according to Ross.

Other central labor groups which have endorsed the RIDC labor-management program in recent days include the Edwardsville Trades and Labor Council, with 15 affiliated locals, and the Collinsville Trades Council, representing 27 locals.

"As of now," declared Ross, "LAMP has been endorsed by 685 local unions on both sides of the Mississippi, either directly or through their central labor bodies. This represents by far the greatest proportion of organized labor in the eight-county St. Louis metropolitan region."

A significant segment of the area's construction industry has expressed its backing for the LAMP program. Last week the Home Builders Association of Greater St. Louis, representing 190 builder members, endorsed the plan.

Madison Youths to Dig Out Trees They Damaged

Three Madison boys, 15, 16 and 17 years old, have been assigned by Madison police to a stint of hard labor to help repair results of their vandalism in destroying eight city-owned Gum trees in three different locations in Madison.

"The boys can't repair all of the damage they have caused," Police Chief Emmett Puzia said, "because the trees had four or five years growth on them."

The trees were broken off about five feet from the ground. The vandalism was discovered Sunday. Police reported four trees were broken in the 1300 block of Third street, two on the boulevard at Eighth and Lee

E. F. Reiske Again to Head Trades Council

Edwin F. Reiske, president of the Tri-City Trades and Labor Council, was named last night as a candidate without opposition for re-election as president for his 15th consecutive term.

Reiske headed a list of nominations reported by the council's nominating committee for the July 19 election meeting. There were no nominations from the floor.

With only one exception, that of the office of vice-president, the nominating committee returned all incumbent officials of the trades council during last night's regular meeting.

The committee listed Lenzie Crockett, delegate of the United Steelworkers union, as candidate for vice-president; incumbent Everett Morley of Steelworkers Local 16 who asked to be replaced because of his working shifts.

Donald Parents of the Fire-fighters Union was named for re-election as recording secretary. Elmer Grum of the school custodians union was nominated

streets and two in the 1700 block of Market street.

Mayor Maers offered a \$50 reward Monday afternoon for information leading to identity of the vandals. Information was received later Monday that led to apprehension of the youngsters. Puzia said. Identity of the reward recipient was not disclosed.

The boys will be required to dig out the broken trunks, backfill the holes and level the ground as punishment for their misbehavior, the chief said. He estimated actual damage at about \$150. The trees will be replaced by the city this fall, Puzia added.

Hits Open Truck Door

A car driven by Van Bevington, 1415 Fifth street, Madison, and a truck driven by Edwin J. Franklin, 794 Grand avenue, received minor damages at 2:10 p.m. yesterday at the parking lot of Ralph & Charles restaurant in Madison. Police reported Bevington was backing his car and struck an open door on Franklin's truck.

from the floor for this post, but Reiske said his candidacy will depend upon a check of the records to determine if his attendance record at council sessions meet the 50% attendance requirement.

Others who are now in office and were nominated for re-election without opposition include Mrs. Helen Peters of the Cooks and Waitresses Union, financial secretary; James Arnel of Steelworkers Local 30, treasurer; George Geggus of the Painters' Union, guard; Mitchell Aramovitch of Steelworkers Local 1983, guide; and John Bilha re-election as recording secretary. Elmer Grum of the school custodians union was nominated

Collection of 1966 Taxes In GC to Start Monday

Bills calling for payment of \$7,272,785 in 1966 taxes by Granite City taxpayers will be mailed tomorrow by E. R. "Pat" Rich, Granite City treasurer who said he will begin tax collections Monday.

Payment of tax bills may be made at the treasurer's office in the city hall.

Rich said opening of tax collections for a period of approximately 60 days was made possible after the offices of city comptroller Robert Stevens were moved last week into newly remodeled quarters in the old courtroom across the corridor on the

second floor of the city hall.

The treasurer had announced earlier he would be forced to delay collections until he could move of his office into the rooms formerly occupied by the comptroller to provide enough room for tax collection services.

Rich had planned earlier to begin collections last Monday. This move was delayed, however, when it became apparent Stevens could not move his offices in time.

According to Rich, Granite City collections will continue until about the middle of August.

Handbook on School Lunches Being Rewritten

T. F. Mitchell, director of University Union at Eastern Illinois University, Charleston, has been asked to revise the official handbook and manual dealing with the public school lunch program in Illinois.

The request came from Ray Puge, superintendent of public instruction.

Mitchell will rewrite the present 184-page school lunch handbook and will revise and update the school lunch program manual for administrators. Mitchell said he did not know how much revision would be necessary on the two publications until he had the opportunity to study them.

Ray Suddarth, an Eastern graduate, supervises the public school lunch program in Illinois.

Vandals Flattened Tires

Vandals flattened all the tires on one car and cut holes in three tires of another parked at the home of Dominic Scaturro, 1229 Robin street, Venice, according to a report to Venice police at noon Tuesday. Scaturro told police he believed the vandalism occurred about 11 p.m. Monday.

City-State Accident

A squad car being backed from a service garage by Patrolman Elwyn E. Dickey, 1519 Lindell blvd., struck the right rear bumper of an auto assigned to the State Department of Public Safety at the Mathews agency, 214 Madison avenue, at 2:30 p.m. Tuesday.

Boys Break Windows

Venice police yesterday apprehended two boys, 11 and 15 years old, who they stood in an alley behind Dow Chemical Co. shooting windows out of the plant with an air rifle. The boys were reprimanded and released to their parents.

Local Inter-City Teams to Play Here Sunday; Mercer Paces Hitting

Blue Division title contender Mercer Funeral Home, (6-2) will play Granite City Steel Credit Union, (3-5) of the Blue Division, in a twinbill slated to begin at 7 p.m. Sunday at diamond No. 7, the Coolidge junior high school grounds.

Sacred Heart (4-5), the other Quad-City team, will meet Poca-hontas (4-5) at Wilson Park at 2:30 p.m. Sunday in another of the six scheduled Southwestern Illinois Inter-City Baseball League contests. In addition to their identical records, the two teams also occupy third place—the locals in the Red Division

TRY FISHING AT JASON'S STOCKED LAKE

PRESS-RECORD SPORTS

Page 6 Thurs., June 22, 1967 Granite City PRESS-RECORD

U. S. Auto Club Sprint Racing Here Saturday

On Saturday night the Tri-City Speedway in Granite City will hold its first United States Automobile Club sprint race.

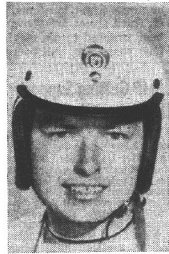

The event, called the Don Branson-Dale Mueller Memorial Race, will be the first USAC sprint race on a half-mile track in the state of Illinois. It will feature a crack field of 30 sprint cars and drivers, several of whom raced in the Indianapolis 500.

Drivers entered in the race include: Rollie Beal, high point man for this year, from Toledo, O.; Greg Weld, second in points, from Kansas City, Mo.; Scratch Daniels, third in points, from St. Paul, Minn.; Larry Dickson, fourth in points, from Marietta, O.; Karl Bussone, fifth in points, from Dayton, O.; Bob Wente, sixth in national points, from St. Louis; Bruce Walup of Downey, Calif.; Bud Tingstad of Hawthorne, Calif.; George Snider of Bakersfield, Calif.; Johnny Rutherford of Fort Worth, Tex.; Ralph Ligouri of Tampa, Fla.; and Arnold Knepper of Belleville and Bill Puterbaugh of Wood River.

With Spalding of Granite City will be at the wheel of a sprint car that has been driven by such top drivers as Jim Hurtubise and Bobbie Unser. The car is called the "Sterling Plumbing Special," and is owned by Jim Hurtubise of North Tawanda, N.Y.

The speedway gates at 5:00 P.M. and will open at 6 p.m. Time trials will begin at 7 p.m. and the first race will roll at 8:30.

Speedway Manager Elvis Doolin says that he expects one of the largest crowds ever on hand here for the sprint race.

GREG WELD, second in national points, will race here Saturday. A Kansas City, Mo., resident, he will drive a car owned by Dr. Ward Dunstad of Jacksonville, Ill.

World Billiards Challenge Match in Venice Saturday

Reserved seats are still available for a challenge match between Luther Lassiter, world billiards champion, and Cicero Murphy, rated second in world billiards standings, Saturday at 8 p.m. at the American Legion Post 307 building, 740 Broadway, Venice.

Wesley Zeigler, manager of the Tri-City Cue Center, 765 Madison avenue, sponsor of the match in conjunction with the National Billiards Proprietors Association, reports that many general admission seats at \$1.50 also are available. Reserved seats cost an additional \$1.

Lassiter has won 14 New York City World Invitational championship titles. He is the 1967 Buckeye championship winner, and he recently won the 1967 world championship playoffs over Murphy, finishing 11-3 and 150-11.

In April, Lassiter beat Murphy by a slim margin of 35 points in a 150-point challenge match held in New York City. He has held the world championship four times in his long career.

Murphy, a formidable opponent, placed third in the U. S. last open match held in Chicago last year and was the winner of the Las Vegas Invitational in 1966.

The Lassiter-Murphy challenge match precedes the U. S. Open Billiards tournament to be held Monday, June 26, at the Sheraton Hotel in St. Louis.

Preliminaries at 6 p.m.

Prior to the 150-point straight pool challenge match here, six intercity pool champs will play three challenge matches beginning at 6 p.m. Saturday. Each of the preliminary matches will be a half-hour long.

The three matches are Wesley Zeigler of Venice vs. Marion Coy of Granite City, David Timko of Madison vs. Mike Robertson of Collinsville and Glen Edleman of St. Louis vs. Jerry Porter of Collinsville.

Both champions will perform trick pool shots prior to the challenge match. Don Tozer, popular trick-shot pool artist, will be on hand for the match. Zeigler has announced.

Advance tickets for the match may be purchased for \$1.50 each at the Tri-City Cue Center, 765 Madison Avenue, St. Louis. Tickets will be available at the door.

LUTHER LASSITER

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS
County Conservation Officer

Even though it is not hunting season I am going to talk a lot about hunting, for I haven't much to say about fishing.

Other than the fee lakes and the occasional hot days at Chain of Rocks, the reports and stringers that I see have not shown much to see this spring.

Occasional big bass on a one-at-a-time basis and some bluegill for us lucky fishermen were noted, but I can't say much for the season so far. There were days at Chain of Rocks when you could literally get a tubful of whatever was running that day, but you almost had to be a steady visitor to catch the right day.

I am convinced that this is true in all fishing. If you just get out once a week, I can guarantee you most of our chances of getting in on the hot days are slim. Fish apparently bite in cycles or on certain days.

Fish Story—In 2 Parts

I know of a case in Missouri this spring when a native trout ten bass that weighed in excess of 50 pounds and astounded the visitors who were coming in that day.

However, the second part of the story that he was honest enough to tell was that he had fished every day for an entire week with practically no luck whatsoever. He happens to live on the lake, knows every rock on the bottom and fishes whenever he wishes.

However, let's just keep going and hope and be satisfied when we get that one good day a year. Half the fun is in the expecting—not in what you eventually catch.

Squirrel Season Opens Aug. 1

So let's think about the hunting season. Squirrel season opens first and starts as usual in the southern zone on Aug. 1.

The new report, that is that I will run all the way to Nov. 5. This is about 20 days longer and will get us some late fall hunting. It will start just short of deer and the other seasons.

A second change that had to be settled some way was that the upland game season and deer season have been separated. Deer season will run six straight days, Nov. 10 through 15 inclusive.

Rabbit and quail season will begin after that.

As far as I can see now, there will be no other hunting season in during deer season and this, for us, is a blessing. The only sorry note is that deer hunters will have one less weekend. But, as devoted and excited as most are about deer hunting, I imagine most will make arrangements.

Free Permits

Land owners wanting free permits to deer hunt on their own farms may write the department for an application and then it must be signed by me before it is returned to Springfield.

June 26 is the first day that shotgun permits will be accepted in Springfield and, if mailed, they must be postmarked after midnight June 24.

Madison county will again be open, as will most of the counties that were open last year. Our check station will again be at Landolt's Meat Market in Alhambra. Mail applications to: Madison County Dept. of Conservation, Edwardsville, Ill. Carlyle Reservoir

The new Carlyle reservoir is open for boating and fishing and the picnic ground and the camping ground are both open at the dam. Boat ramps at the dam and at Keyport are both in use.

There is quite a large body of water and it has already shown that it will be a rough one on stormy or windy days. It is simply not going to be a place

30-Hit Attack Gives 27-11 Local 16 Win

In the 35 and Over slow pitch softball competition at Wilson Park Monday night, Local 16 launched an evenly balanced 30-hit attack to down Midtown Pharmacy 27-11.

Number one and two batters, Tom Harris and Russ Terry, led the way for Local 16 with four-for-four performances from the plate. But they had plenty of support.

Six other batters collected three hits apiece—Norm Burnett, Frank Melchic, Don May, Louis Kaleta, Bill Wells and Archie Beatty. And the remaining batters had two hits apiece—Carl Linhart and Rex Buckingham.

Elsewhere in 35 and Over play Monday, Tony and Joe's romped to a 25-12 victory over VFW Post 1300, and Jacobsmeyers' held onto an early lead and edged the Coachchillers 15-12.

Babe Ameling stood out for Tony and Joe's with five hits, including a triple and a homer. Von Dee Cruise drilled four singles, while Norm Homyer homered and was one of six batters with three hits. Rufus Ketter, Paul Thompson, Earl Thompson, John Perrillo, Bob Malone and Milard Scheideman.

Jacobsmeyers' saw its early 10-run lead dwindle to three when the Coachchillers struck with four-run rallies in the fifth and sixth innings, but the squad then managed to silence the resurgent Coachchillers in the bottom of the seventh.

The big blow in the game proved to be Les Thompson's home run, which sparked a six-run second inning for Jacobsmeyers'. Thompson, Lyman A. Tur, Rich Kriesch and Paul Gabriel each had three hits, while Al Paskus and Ollie Ja-

20 Teams Will Vie in Ainald Golf Classic

More than 20 teams are expected to tee off Saturday at the Grand Marais Park golf course, near East St. Louis, for the first annual Ainald Temple Shrine golf classic.

Chairman Bob Hardy and his assistant, Clarence Voigt, assistant pro at the St. Clair Country Club, have eight trophies and many merchandise prizes for the winners, who will be decided on the callaway system.

Hardy noted that any entry can be taken until noon Saturday.

Some of the teams of four already in are from the Mt. Vernon, Granite City, Belleville, Collinsville, Edwardsville and East St. Louis units and Effingham. These groups are representing clubs or Shrine units of their communities.

Voigt will have charge of the scoring and handicapping, and a barbecue also will be a part of the day on the course. Ainald Shrine hopes to make it an annual classic, with winning teams competing in the state Shrine golf tournament.

co-smeyer, the winning pitcher, had two each.

It was Les Thompson's round-tripper, which sparked a six-run second inning for Jacobsmeyers'. Thompson, Lyman Tucker, Rich Kriesch and Paul Gabriel each had three hits, while Al Paskus and Ollie Jacobsmeyer, the winning pitcher, had two each.

In women's slow pitch softball at the park Monday, the Skoob-A-Dans combined good pitching, valid fielding and power hitting to down Drive-In Laundry 8-0. Vickie Duncan hit two home runs and Susan Boyd another homer.

FALSE RUMORS

It has been falsely rumored (apparently by unfair competition) that we will close our shop in the near future. We intend to remain open and give our usual good service for men, women and children.

Legion Combines Hitting and Pitching, Begins to Move Up

Finally beginning to click, American Legion Post 113 chalked up a 5-1 victory at Dupo Monday evening to move into a tie for fourth place in the Legion boys' baseball league. Granite City will play at Collinsville tonight and will host the Belleville Hilgards at 6 p.m. Friday. A Belleville visit here last night was rained out. Belleville is unbeaten in five games, while Fairmont-Scoville has a 4-1 record, East St. Louis 3-3, Collinsville 2-3 to match Granite City, Edwardsville 2-4 and Dupo 0-6. Edwardsville defeated East St. Louis 6-2 at Edwardsville Tuesday night.

Post 113 has dropped two close games to East St. Louis and a one-run duel to second-place Fairmont City but hopes to even its league record tonight and move above 500 tomorrow. It is rated as having the power and pitching to do so.

Revision of Cheerleader Regulations in Progress

The policy governing cheerleaders at Granite City high school and the three junior high schools has been tentatively revised, and further changes are being made for possible consideration at the June 26 or July 10 school board meetings. Details currently being worked out include whether cheerleaders are to be sent to the state high school wrestling tournament and whether there should be cheerleading for out-of-town ninth grade athletic events.

Cheerleading is basically regarded as an intramural club activity of the girls' physical education department. As such, it is subject to policies and regulations governing clubs and intramural activities sponsored by the department, with additional requirements set by the school board.

Principals choose the cheerleading advisors, who have the same authority as a varsity coach in governing the conduct of cheerleaders at games or pep rallies. Coordination is provided by the physical education consultant and the superintendent of schools.

Enthusiasm, Sportsmanship Purpose as outlined under the regulations currently being proposed is to "stimulate enthusiasm for all student activities and to encourage and promote high standards of sportsmanship. Primary emphasis shall always be given the leader phase rather than the performance phase of cheerleading."

Cheerleaders must be in good health and have no record of disciplinary action against them. They must maintain a high standard of personal conduct at all times, and criticism of grooming or behavior by any faculty member can be cause for suspension.

Numerous stipulations are listed, including a ban on gum, chewing or consuming any refreshments while on duty. Uniforms cannot be worn at social occasions outside of school. Rules Governing Travel: Cheerleaders are to travel as a squad and from all games outside the Quad-Cities when representing Granite City schools. Transportation is provided to all high school conference football and basketball games, as well as non-conference games within a 50-mile radius.

In general, cheerleaders not traveling to out-of-town games involving an overnight stay. When

Steve Lengyel's hurting and Steve Conway's hitting led the local squad at Dupo. Grounding out at first base, Lengyel allowed only one unearned run and three scattered hits. He struck out eight and walked none. Granite City took the lead for keeps in the second inning when runners advanced to second and third on a double steal and Conway singled them home. Roger Coakley contributed two hits and one RBI.

More Car Races Scheduled for 'Sumpin Fierce'

Fresh from a victory over some of the very best racing competitors in the nation last week at the St. Louis International Raceway Park, Round 203 south of Madison, the Bradshaw brothers of Granite City currently are making plans for frequent racing this summer.

The duo consists of Claude Bradshaw, 2621 Willow avenue, driver, and Clyde Bradshaw, 29 Fontainebleau, who aids in tuning, financing and other details of entering their own car in speed runs.

The brothers own "Sumpin Fierce," which is classed as a "funny car." The Plymouth Bradshaw is sponsored in drag races by Joe Sperino of Belleville, whom Claude Bradshaw is employed as auto service manager.

Beginning this Saturday for the first time, top drivers beaten in the most recent outing were Dick Harrell of Chicago and Ted Dever of Kansas.

The local entry accelerated down the one-eighth mile track in 5.91 seconds, attaining a speed of 126.5 miles per hour. Prior to first place in its division was \$780.

Judo Classes For Boys, Girls Each Saturday

Beginning this Saturday for the first time, the YMCA will conduct mixed judo classes for boys and girls. Ed Posey, a brown belt, will instruct the classes which will be held from 9 to 10:30 a.m. for eight through 14-year-olds and from 10:30 a.m. to noon for 15 through 18-year-olds.

The fee for the younger age group will be \$3 for members and \$7.50 for non-members; the fee for the older age group will be \$5 for members and \$10 for non-members of the YMCA.

contests involving the local swimmers this season. The Paddlers' swim meet will be held from 9 to 10:30 a.m. at the local club's pool, Parker. The extensive schedule this summer will include a minimum of 17 individual meets, he pointed out.

contests involving the local swimmers this season. The Paddlers' swim meet will be held from 9 to 10:30 a.m. at the local club's pool, Parker. The extensive schedule this summer will include a minimum of 17 individual meets, he pointed out.

the downstate fisherman

Fishing is picking up in Southern Illinois lakes and those zealous anglers who are waiting to occupy a boat seat as the sun goes down are reaping a harvest in bass. Crappie and bluegill fishermen, meanwhile, can fill their fishbags almost any time of the day.

Clyde Bruce of Benton fished Devil's Kitchen Lake three days last week, about two hours each morning shortly after daybreak, and reported a total catch of 14 bass ranging from three pounds to a king-sized eight-pounder.

Bruce uses the tried and true bobber and big chub minnows, according to the boat dock operator.

At Peithmann of Carbondale confirms last week's report that Crab Orchard Lake is coming to life. He caught ten bass, ranging up to a five-pounder, in one three-hour trip. They were caught in the deep holes using a running lure.

The regular fishermen at Lake of Egypt have fallen into a late evening pattern that is producing results. James Aaron of Marion caught eight bass ranging from 1 1/2 to 5 1/2 pounds on June 14 and then repeated the maneuver on the 15th with a four-pounder as top fish.

Harry Douglass and Harold Underwood of Norris City took 12 bass in two trips to connect with anything larger than a three-pounder. Max Lane of St. Louis took a four-pounder each tailed with a four-pounder.

Little Grass Lake turned in its best performance for the pan-fishermen, although Ron Evans of Alton and J. H. Gray of Lockport each displayed four-pound bass and Dan Gola of Union, Mo., had a three-pounder. Huck Ittenbom at the boat dock says crappie and bluegill fishing is very good.

Garfish Catch Mr. and Mrs. Tom Sawyer of Cape Girardeau, Mo., found bass not very cooperative. They fished Lake, Cairo, last weekend but enjoyed a sporty substitute. Dragging their spoon and park rind baits over holes in the duckweed, they found large-sized garfish would deliver smashing strikes at almost any time. It was most impossible to hook because a gar's mouth is all bone and teeth, occasionally one would hang on long enough for a leaping tussle.

Mrs. Sawyer hooked one solidly and finally got it alongside the boat, where her husband clubbed it with a paddle. He

Singler Pitches Perfect Game

Marvin "Cotton" Singler, pitcher for Tony & Joe's tavern in the Granite City Park district 35 & Over slow pitch league, pitched a perfect game for Tony & Joe's slow pitch team in the League Tuesday. Singler turned in a no-hitter, facing only 21 Goldbeck Shell batters in the seven-inning game. Tony & Joe's St. Louis team is tied with Kinloch A.C. for first place in a Class A slow pitch league with a 4-1 record so far this season.

All Games Yesterday Prevented by Weather

Local baseball and softball play was discontinued yesterday due to rain and muddy diamonds. Scheduled games in softball, the slow pitch Class C league at Wilson Park, and baseball—Granite City park district, Nameoki-Ponton Little League, Madison Venice-Khoury League and Mitchell Khoury League—were postponed.

Area's State Payrollers Top, But Salaries Go Up \$52,000

A total of 390 Quad-City residents were on the Illinois state payroll during 1986, receiving total salaries of \$1,273,993, or \$32,763 more than was paid the 405 Quad-Cityans on the payroll during the 1985 year, according to records in the office of State Auditor Michael J. Hewitt.

The records also show a total of 2129 Madison county residents on the state payroll last year. Although this was an increase of only nine payrolls over the 2120 Madison countyans on the payroll in 1985, they received salaries totaling \$7,753,404, or \$603,479 more than the \$7,151,925 in 1985 salaries.

The 390 Quad-City payrollers represent 20% of the total number of Madison countyans who received state wages last year. Among largest salaries on the list went to the circuit clerk and top salary in Madison county went to Appellate Judge George M. O'Neil, who received \$24,980.

Vernon Milton Adams, 820 Jefferson street, Madison, state fair agency laborer, \$19,000.

SOCIETY

Mrs. Bischoff Is Installed

Mrs. Helene Bischoff was installed Tuesday evening as president of the Granite City Steel Women's Association at the annual dinner-installation meeting held in the dining room of the firm's office building, 20th and State streets. She succeeds in office, Mrs. Ruth Thornberry.

Ms. Ruth Rami served as installing officer. Others taking office for 1967-68, are Mrs. Edith Hendrick, vice-president; Mrs. Lottie Schuster, recording secretary; Mrs. Gerry Dublar, corresponding secretary, and Mrs. Millie Clements, treasurer.

Seventy-five members witnessed the installation ceremony and an entertainment program, featuring Gordon J. Hoener, a noted authority on sensory perception.

The guest speaker, who was introduced by Miss Norma Pregel, program chairman, presented a psychic lecture-demonstration.

Highlighting his presentation was the moment an envelope was opened which contained three headlines appearing in Monday's issue of the Press-Record and Tuesday's editions of the two St. Louis metropolitan daily papers.

Hoener had written and mailed the contents June 2 to Miss Pregel, with the envelope remaining sealed until opened by a member of the association Tuesday night.

Predicted headline from the Monday's Press-Record accurately stated, "Crackdown on One-Way Street System." The Post-Dispatch predicted headline dealt with Kosygin refusal to see Johnson and the Globe-Democrat's detailed an incident relative to the Israeli-Arab war.

It was noted that neither the conflict in the Middle-East, nor a visit to the U. S. by the Soviet premier was anticipated on the date the letter was mailed by Hoener.

The company dining room was decorated for the installation event, with arrangements of fresh-cut garden flowers used on the dinner tables. The retiring president, Mrs. Thornberry, was presented a gift by the members. The association will resume its monthly dinner sessions in September.

MRS. SCHEPERS HOSTESS TO MARY MARTHA CLASS

Mrs. Dulcia Schepers, 2945 East 25th street, was hostess to the Mary Martha Sunday School Class of Grace Baptist Church at her home Tuesday afternoon. Roll call was answered with a Bible verse.

Mrs. Vira Green gave the devotional, taken from Ephesians, Chapter 2. Prayer was offered by Mrs. Olthoff Mott. Mrs. Schepers, who serves as class chairman, conducted a brief meeting.

Cake and coffee were served by the hostess. Mrs. Pauline Travis will entertain class members in July at her home, 2323 Hodges street.

CALIFORNIA VISITORS HERE FOR TWO WEEKS

Mr. and Mrs. Robert Harrell, 4733 Warnock avenue, have as house guests, their son-in-law and daughter, Mr. and Mrs. Duane Moe and children, Greta, Julie, Nancy and James, of Redwood City, Calif.

The visitors will remain here about two weeks. Mrs. Moe will be remembered as the former June Harrell of Granite City.

WANT ADS PAY OFF!

BETROTHED. Miss Carol Kuzma, Hollywood-Andrews Photo. Mr. and Mrs. Frank Kuzma, 2474 State street, are announcing her engagement to Michael Allen Reagan, a son of Mrs. Beatrice Bray, 634 Ashland avenue. A wedding is planned for next June.

A community full of buck-passers seldom gets very far in the march of progress. The greatest task in any man's future is to put his good intentions into action.

Women of Moose Aid Other Lodge

Granite City Chapter of the Women of the Moose attended the Edwardsville Chapter's installation evening earlier this week, with several local members serving as installing officers.

Those from the local College of Regents were Mary Murgie, installing chairman; Marie Hampton, installing regent; and Lulu Gundlach, installing chaplain. Serving as escorts were Dorothy Coy, Mildred Votoupal, Evelyn Testor, Cecelia Cruse, Edith Rodgers, Gladys Markovich, Loreta Coleman and Doris Martin.

Others attending the installation from here were Mary Merz, Pearl Giffin, Juanita Williams, Edna Bardsley, Christine Judd, Frances Westbrook, and Lodge 272 members, Frank Rodgers, John Teeter and Frank Markovich.

PAST MATRONS CLUB ADJOURNS FOR SUMMER

Past Matrons of New Hope Chapter 432, Order of the Eastern Star, were entertained by Mrs. Mary Connole Tuesday at the IOOF hall in Madison.

A brief business session followed the luncheon period. It was announced the club will discontinue its regular meetings for two months, resuming again in September. The initial get-together will be held at Petrie's restaurant, with Mrs. Louise Cook as the hostess.

Those present Tuesday, included Mesdames Estelle McBrien, Louise Cook, Thelma Jahnsen, Roberta Lester, Mary Taylor, Ann L. Mueller, Amelia Jung, Lu Pyle, Anna Wilcox, Marie Hookstra and a guest, Miss Carol Cook, worthy matron.

MR. AND MRS. ANDY L. BECKLAND, who were married recently at St. John Lutheran Church. The bride is the former Mary Louise Pulley, a daughter of Harry Baldwin, 2119 Nevada avenue. Mr. Beckland's parents, Mr. and Mrs. Hans Beckland, reside in Nelsonville, Wis.

PRESS-RECORD CLASSIFIED ADS BRING RESULTS

BETROTHAL ANNOUNCED. Miss Margaret Anne Harlan, daughter of Mr. and Mrs. Lee Collins Harlan Jr., 1611 Clark avenue, who are announcing her recent engagement to William Daniel Lyons, son of Mr. and Mrs. Gordon E. Lyons sr., of Kansas City, Mo. A winter wedding is being planned.

Miss Harlan Plans Winter Wedding

A basket picnic in Wilson Park at noon Tuesday will mark the final event of the season for members of the Past Noble Grand Club of Ann Rutledge Rebekah Lodge.

Mrs. Clara Harbig, president, said today that all members and their families are invited to attend the picnic lunch, to take place on the Benton street side of the park.

The bride-elect is a 1964 graduate of Granite City high school. Currently, she is attending the University of Missouri at Columbia, where her fiancé also is a student. The latter previously attended Kansas City schools.

Both will begin their senior year in September at the University of Missouri. Miss Harlan is

SOCIETY

Summer Plans by Jr. Service Club

Members of the Granite City Junior Service Club met at the civil defense building Monday evening for a pot luck dinner to conclude their monthly meetings until September. Mrs. Eva Burns served as chairman for the dinner.

Mrs. Della Pauly, sponsor of the club, was presented with a gift for her new home, and two mothers were presented with gifts for their new infants. They were Mrs. Margaret Hornberger and Mrs. Marilyn Bodman.

Mrs. Jo Anne Gaumer, president, conducted a business session and read notes of thanks from the Easter Seal foundation for funds sent to provide four children with a week at summer camp, and from a student nurse sponsored by the club.

A brief discussion was held on the annual " flea market " to be held in September with Mrs. Carol Tritschbach named to serve as chairman.

Also planned for the September meeting is a talk by Victor Koenig, civil defense director. His topic will be civil defense radio communications.

Summer projects of the club will include participation in the

EFTIMOFF FAMILY VISITS NUCLEAR SCIENCE MUSEUM

Mrs. and Mr. Vasil Eftimoff and son, Jimmy, 2800 Michigan avenue, recently visited the American Museum of Atomic Energy (Oak Ridge Hall of Science), Oak Ridge, Tenn., which features demonstrations and displays on peaceful uses of the atom.

The museum, operated by the U. S. Atomic Energy Commission by Oak Ridge Associated Universities, is the first such institution in the nation devoted to nuclear science. Especially trained lecture-demonstrators show how the power of the atom is utilized in medicine, industry and agriculture.

The museum, operated by the U. S. Atomic Energy Commission by Oak Ridge Associated Universities, is the first such institution in the nation devoted to nuclear science. Especially trained lecture-demonstrators show how the power of the atom is utilized in medicine, industry and agriculture.

Collinsville club's annual parade, to be held July 4, and a trip to the St. Louis Open on Aug. 15, to see "Gypsy".

As part of the club's charity program, it has purchased uniforms for a baseball team in the Namekiki Little League and plans to purchase more equipment for the team. Three children were approved to receive eye examinations and glasses, in addition to visual training given to one child.

The board will meet in July and August, with the next membership meeting in September. Those attending were Mesdames Eva Burns, Marilyn Bodman, Sandy Dittmer, Wilma Edgington, Bernice Fitzpatrick, Rena James, Audrey Jones, Candy Kawa, Louise Kover, Paya Krause, Loretta Krevich, Dotie Meikamp, Charlene Pohlman, Pauline Presley, Mary Schaffner, Evelyn Todd, Carol Tritschbach, Jean Ann Vrenick, Gladys Wagner, Mary Lou Worthen and Misses Gloria Blevins, Helen Lensing, and Helen Paragham and guests, Mrs. Ruth Knecht, Mrs. Betty Jo Koser and Mrs. Pauly.

Nurses' Alumnae Concludes Season

St. Elizabeth Nurses' Alumnae met for dinner Tuesday evening at the Rose Bowl, concluding the group's formal activities until September.

Mrs. Martha Bischoff opened the business meeting with reports presented by Mrs. Georgia Harlow, treasurer, and Mrs. Jeanne Ladd, secretary. Prayer was offered by Sister Theodore.

Committee appointments for 1967-68 were announced: Nominating—Mrs. Harlow, chairman, with Mrs. Harriet Byers, Mrs. Roberta Gerke, Mrs. Lucia Foley and Mrs. Bischoff; auditing committee—Mrs. Bernadine Gooley, chairman, with Mrs. Blanche Blake and Mrs. Mary Jane Hillmer.

Plans were completed for Alumnae members to sponsor a hog, cake and coffee stand during the Fourth of July celebration at Wilson Park. Those present also signed a getwell card for Mrs. Foley, who is a patient at Barnes Hospital.

Others attending were Mrs. Katherine Delatoye, Miss Mildred King, Mrs. Frances Robbers, Mrs. Edna Wallace, Miss Mary Saults, Mrs. Ann Kharis, Ruth Novack, Mrs. Pot Tapp, Mrs. Lela Kawa, Mrs. Ruth Short, Sister Marce, Sister Pauline, and Mrs. Blanche Blake.

RETURN FROM COLORADO

Mrs. and Mr. Paul Gaughan, 2146 Hodges avenue, have returned from Lakewood, Colo., where they spent a week with Mr. Gaughan's brother-in-law and sister, Mr. and Mrs. Harry Korte, former Granite Cityans who now reside in Lakewood.

GCBS CLASS OF 1942 REUNION A SUCCESS

Members of the organizing committee for the 25th reunion of Granite City high school's 1942 graduating class today reported the affair a success with more than 100 classmates and guests assembling at the Illinois Club in East St. Louis.

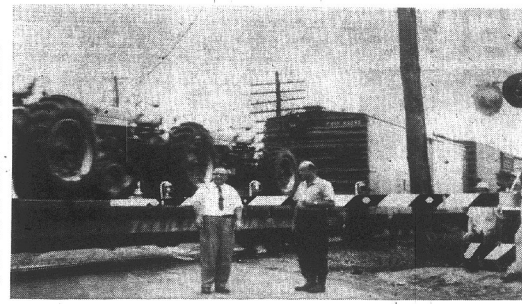

Richard Harmon, Granite City high school cross-country and tennis coach, who served as master-of-ceremonies, presented awards to former classmates. Mrs. Loretta Kackelbach Krotz of St. Jacob, Ill., mother of the largest family, Mrs. Mildred Pounds of Missenau, Okla., Pa., for traveling the greatest distance; Charles Romine of Wheaton, Ill., parent of the youngest child; and Mrs. Rose Portell Whetstader of St. Louis, longest married. Harmon, in turn, was presented an award as the most recently-married class member.

Those comprising the arrangement committee were Mrs. Mary Manogian Paragham, Mrs. Evelyn Mulholland Thompson, Mrs. Imogene York Kunick, Mrs. Kathryn Compton Hoff, Mrs. Margaret Davis Kirchoff, John Karoly, Andy Rapoff, Vasil Elitoff, John Polson and Paul Thompson.

4-H GIRLS HOLD INDOOR PICNIC

Inclement weather yesterday forced members of the Sand Prairie 4-H Club to abandon their planned picnic at Wilson Park and adjourn for an indoor lunch at the home of the club leader, Mrs. Olga Johnson, 2232 East 25 street.

The group spent the remainder of the afternoon discussing plans for various field trips and other activities proposed for the summer months.

PLACED IN OPERATION yesterday were the automatic rail crossing flasher lights and gates at the Maryville road crossing. Shown on the west side of the crossing are Rev. John DiGiambro, secretary (left), and Emil Ross, president of the Organization for Community Action that was formed in February 1966 after a mother and daughter were killed in an auto-train crash. The train in the background was the first to activate the automatic signal-gates.

Auxiliary Honors Eagles at Dinner

A Father-Son dinner honoring members of Eagles No. 1126 was given by the Women's Auxiliary Wednesday evening at the Eagles' hall.

A floral centerpiece of carnations and a large American eagle decorated the speakers' table. Tom Rickert, aerobian, gave the pre-dinner blessing.

Following the dinner, gifts were presented to the "Eagle of the Year" by Mrs. William Fradler, and to Aerie President Stanley Heck by Mrs. Florence Hagnauer, auxiliary president.

A check purchase of new equipment for the hall was presented to Worthy Past President Urban Jackson by Auxiliary Junior Past President Mrs. Margie Hall.

Mrs. Siela Miller was chairman of arrangements for the dinner and Mrs. Fay Briggs was decorations chairman.

Members of the auxiliary serving were Mrs. Lucy Williams, Mrs. Helen Lipchik, Mrs. Isabelle Krovich, Mrs. Margie Hall, Mrs. Florida Batton, Mrs. Cora Barr, Mrs. Billie Schuler, Mrs. Kassie Hagnauer, Mrs. Bernice Johannigmer, Mrs. Mildred Achors, Mrs. Fay Briggs, Mrs. Ann Gasparovic, Mrs. Ann Konopka and Mrs. Vera Honyak.

Madison Rotary Installs Officers

Madison Rotarians installed officers for the new year beginning July 1 at a dinner dance last night at the Rose Bowl, preceded by a social hour. About 40 attended the smorgasbord and heard a program of vocal selections by Miss Phyllis Zaganelli.

Harvey Miller, operator of the Gateway Loan Corp., was installed as 1967-68 president. Other new officers are: W. J. Wead, secretary; Richard Suess, treasurer; Edwin Menke, sergeant-at-arms; and Wayne Scannell, Alex Schaeffer, Anthony Zeddelo, Lawrence Paikes and Lewis Waggoner, directors.

Miller and Retiring President Scannell spoke on past and future club activities. Rev. Good Love offered prayer, and Miller and William Mehl were honored on their birthdays.

George Frangoulis was toastmaster and Mayor Stephen Marras installed the officers, presenting a gavel to Miller. Scannell received a past president's plaque and his plaque received for greatest improvement in club attendance throughout the Rotary district.

E. A. Friedman, charter member of the 42-year-old club, was recognized for attending 41 of the 42 meetings.

He was recognized for attending 41 of the 42 meetings. The 42nd installation and "made up" that meeting to maintain his attendance record.

Speeding Charge Filed

Gary A. Spence, 2909a Buxton avenue, was charged with speeding on N. Main street, near 30th avenue at 10:45 p.m. Wednesday.

Convention Topic Of Local Group

A regular meeting of the Ship Shape Taps took place Tuesday evening at Schermer's civic center in Madison. Mrs. Yvonne Passig, president.

A financial report was given by Mrs. Jackie Gattung; roll call was taken, with 23 members weighing themselves.

Mrs. Doris Birkshire earned "queen for the week" honors. Mrs. Birkshire and Mrs. Betty Trobush and Mrs. Lela Dunscomb earned weight loss charms.

Discussion was held on the KOPS (Keep Off Pounds Series) bly convention to be held in Chicago on Sept. 30.

Following the meeting, refreshments were served and games were played.

ATTEND PHI TAU OMEGA NATIONAL CONVENTION

Eta chapter of the Phi Tau Omega sorority was represented by nine members at the national convention of the organization in Dallas, Tex. The group returned Tuesday.

Participating were Misses Hilja Schroeder, Kathryn Weddell, Dolores Sheridan, Mary Hassler and Martha Ruth Thomas and Mesdames Jo Erva, Charlene Voss, Harriet Horn and Katherine Powers. The 1966 convention was planned for the Lodge of the Four Seasons at the Lake of the Ozarks in Missouri.

Mueller Brothers Head For Basic, Overseas

After seeing one son off to the Marines on Tuesday, Mr. and Mrs. A. J. Mueller, 1327 Lindbergh, will see the other off for Vietnam on Sunday.

Mr. Forrest Mueller, 20, the older son, leaves for Oakland, Calif., on Sunday and from there embarks for Vietnam where he will arrive and receive his assignment on June 26.

Mr. Mueller was graduated from Granite City high school in 1965, studied for a year at Southern Illinois University and enlisted in the Army in November 1965. He was last stationed at Fort Ord, Calif.

His brother, Michael H., 19, left for Camp Pendleton, Calif., on Tuesday. He was graduated from Granite City high school in January 1967 and completed training at The General Motors Maintenance School in St. Louis before enlisting in the Marines.

The boys' father is general manager of the Granite City Press-Record.

Two Hubcaps Stolen

Robert Schildman, 2140 Benton street, reported at 4:10 p.m. Wednesday that while his mother, Mrs. Nell Schildman, was visiting him during the night, a thief stole two hubcaps from her 1962 auto.

Traffic Signal Change

Wilbert Matthews Jr., Greenville, was charged with a traffic signal violation at 23rd street and Madison avenue at 6:59 a.m. Wednesday.

Area State Payrollers

Edward 'Eddie' Birks Dies Suddenly at 64

Edward "Eddie" Birks, 64, of 2714 West 22nd street, was dead on arrival at St. Elizabeth Hospital at 7:30 p.m. yesterday. Death was attributed to an apparent heart attack.

Birks was a retired operator at Union Starch & Refining Co. He was born in Bear Springs, Ark., and had lived in Granite City 43 years.

He is survived by his wife, Mrs. Mattie Birks, a son, Russell Birks of Granite City, three sisters, Mrs. Annabelle Littlejohn, Mrs. Quency Wallace and Mrs. June Flynn, all of Granite City, and three grandchildren. Funeral arrangements are given in today's obituary column.

Vandals Throw Eggs

Granite City police received reports of vandals throwing eggs at houses at 1553 Rodgers avenue, 2012 Garfield avenue and in the 3100 block of Aubrey avenue between 4:30 and 10:45 p.m. Wednesday.

Ammonia Odor Reported

A strong odor of ammonia reported at the Aro-Dresdell dairy, at houses at 1553 Rodgers avenue, at 3 p.m. Wednesday was caused by a broken line. Repairs were made.

Obituaries

"ACE SETS THE PACE" — QUALITY AT LOWER PRICES

Nameoki to End Tax Collection Tomorrow

Collection of Nameoki township taxes at the Granite City Trust & Savings bank, where payments have been made since June 2, will be discontinued tomorrow at the end of regular banking hours, it was announced by Nameoki township collector Gene Rotter.

Nameoki township taxpayers were charged with payments of a total of \$1,262,270 in both personal and real estate taxes. Payments until noon yesterday amounted to \$222,246, or approximately 20% of the total.

Rotter said no further payments will be "accepted under any circumstances after Friday." He noted that in the past many persons have called asking his office to accept late payments. He pointed out that it is necessary to balance the books immediately so that they may be returned to the county treasurer's office where further collections will be made under penalties.

Meanwhile, tax collections are under way in Venice township at the old First National Bank building at Fourth street and Madison avenue. Collections there were begun Monday by Town Collector Frank Reidelberger. Venice township taxpayers are charged with payment of \$2,767,182. Collections will continue about 30 days.

Bus Schedule for 2nd Session at Lakota

The bus schedule for next week's Girl Scout day camp at Camp Lakota near Glen Carbon was announced today by the River Bluffs Girl Scout Council. The young campers will be going to Lakota daily, Monday through Friday.

Bus No. One will leave Lee Park's Klein street entrance at 8:30 a.m.; Madison Recreation Center at 8:35; Emerson school at 8:45; McKinley school at 8:50; Niedringhaus school at 8:55; St. John United Church of Christ at 9:05; and Frohardt school at 9:10.

Bus No. Two will depart from Mitchell school at 8:15 a.m.; Route 203 and Maryville road at 8:25; Maryville school at 8:30; St. Elizabeth school at 8:35; Nameoki school at 8:40; Wilson school at 8:45; Lake school at 8:50; B2B Truck Stop, Highways 111 and 162 and Stallings school at 9 a.m.

The buses are to arrive at Camp Lakota at 9:30 a.m. each day and will depart for the return trip at 3 p.m. On the return trips, the scheduled stops will be in reverse of the departure schedule.

Maurice J. Slenn, 68, Dies Unexpectedly

Maurice J. Slenn, 68, of University City, Mo., a salesman for Fredman Brothers' Furniture store here for 40 years, died unexpectedly early Wednesday at his home of an apparent heart attack.

Gravestone services were held today at the Cheesed Hill Emeth Cemetery in St. Louis county. Mr. Slenn was a native of Russia.

Survivors include his wife, Mrs. Rose Slenn; two daughters, Mrs. Nathan (Wilma) Kornblum and Mrs. Martin (Frances) Handler, both of St. Louis; and a brother, Herman Slensky, Cleveland, O.

Roca to Hold Car Wash Saturday; Plan Show

The Roca Club will hold a car wash Saturday at the Shell service station, 20th street and Madison avenue. Tickets may be purchased from any member or at the station.

Plans for coming events were made during a meeting Tuesday night at the new Moose home. The club is now holding rehearsals for its annual musical show on July 26, 27 and 28.

A membership drive is to be started on Monday. Future sophomores and juniors interested in joining the club may contact a Roca member.

Arrested after Accident

An auto driven by Catherine Hahn, 2415 Hodge avenue, struck the left rear of the parked car of Charles Parker, 2313 Hodges, while it was parked in front of his home at 8 p.m. Tuesday. She said she took her eyes off of the road momentarily. She was charged with careless driving.

NAMEOKI

Tri-City Park

MRS. LEOLA TUCKER
1234 Edwardsville Road
TR 6-7227

Rev. Dan Johnson of Wichita, Kan., was guest speaker Sunday morning and evening at the Tri-City Park Tabernacle.

RETURN TO OKLAHOMA

Mr. and Mrs. Everett Paulk and daughter, Dana, Rural Route One, had as guests last week their son and daughter-in-law, Mr. and Mrs. Marvin Paulk and children, Clifford and Margie Ellen, of Oklahoma City, Okla. They returned home Sunday.

Mr. and Mrs. Bill Smith and sons, Jerry and Wilbert, of Donahue, Mo., visited relatives here over the weekend.

Mr. and Mrs. Gary Chilton and son, Brian Todd, of Ivy Lane, spent the weekend in Springfield, Mo., visiting relatives.

CAMPING TRIP

Mr. and Mrs. Louie Crook and son, Louie Jr., and daughter, Donna and Melissa, 200 Edwardsville road, and Mr. and Mrs. Danny Means and children, Danny Jr. and Gregory, spent the weekend on a camping trip at Washington State Park near Des Moines, Mo.

NAMED COUNSELOR

Miss Donna Jones, 1206 Meridian street, has been selected as youth counselor of the youth camp at the Assembly of God camp ground in Carlinville, Ill. Miss Jones will be there one week.

North Granite

MRS. EVA DEAN HARBISON
3032 Nameoki Drive
TR 6-3085

PLAN REUNION OF CREW
Louis Windsor will attend a reunion of the crew of the U.S.S. Venus (A.K.135), a ship and crew of world war I, on July 7, 8 and 9 at the Glenwood Manor motor hotel, Overland Park, Kans.

Others of the crew wishing further information may contact Frank H. Maschler sr., 801 Grant avenue, Overland Park, Kans. 66204.

Collide in Madison

A car driven by Joseph E. Owens Jr., St. Louis, was damaged on the left side at 9 a.m. yesterday in a collision at State and 13th streets, Madison, with a truck driven by Paul A. Berserman Jr., 920 Iowa street. There was no damage to the truck. Madison police said Owens was driving north on State street as Berserman made a left turn.

Two Traffic Charges

Ann V. Konopka, 3137 Davis avenue, was charged with a traffic signal violation at 20th street and Madison avenue and with driving without an operator's license on her person at 1:45 p.m. Tuesday.

Auto Strikes Tree

An auto driven by Frances L. Baker, 2239 Monroe street, struck a tree and uprooted it at 1312 Eighteenth street at 11 a.m. Wednesday.

BRIDGE CLUBS PLAN FOR WINNERS' GAME

A winners' game for local bridge club members will be conducted Sunday at 1:30 p.m. at Augustine's in Belleville.

Winners at a weekly meeting of the Granite City Duplicate Bridge club Sunday evening at the Elks club were Mr. and Mrs. Ray of Caseyville. There was a tie for second place between Mr. and Mrs. Al Barnes Jr. and William Buente and Sam Meyer. The next weekly session will be held June 25 at the Elks, starting at 7:30 p.m.

The Naimoli Duplicate Bridge club met Monday morning at the home of Mrs. Helen Meyer, 2832 Yale drive, for cards and refreshments.

Mrs. Muriel Dressel and Mrs. Meyer shared first-place honors, Mrs. Betty Osterle and Mrs. Marie Huff second place and Mrs. Mildred Branding and Mrs. Grace Cross third.

The latter club will meet again June 26 in the home of Mrs. Meyer.

MRS. DUMOULIN ENTERTAINS CLUB

Mrs. Kathy Dumoulin entertained the Dixie Dozen club Monday evening in her home, 100 Briarhaven, for a monthly gathering.

Mrs. Margaret Zoley was honored on her birthday and anniversary, receiving gifts from the members and her secret pal. The game of Yahtzees was played during the evening, and these excellent and winning prizes were Mrs. Foley, first, Mrs. Anita Sprankle, second, and Mrs. Marilyn Patterson, third. Refreshments were served by the hostesses to those named and Mesdames Doty Cavins, Faye Giles, Pat Nicholas, Liz Orr and Donna Patterson.

Mrs. Nicholas will serve as hostess for the next meeting July 17 in her home, 1633 Sycamore avenue.

PACK COMMITTEE MEETS

A committee meeting of Cub Pack 24, sponsored by the Frohards school PTA, was held Monday evening in the home of Mr. and Mrs. Donald Rivenburgh, 2321 Clark avenue.

Cubmaster Wesley Stille presided. Final plans were made for a tour of the Granite City Army Depot by the pack members.

Also discussed was a picnic planned July 20 at Wilson Park. Tentative plans were made to attend a baseball game in St. Louis in July. Those attending were ten mothers, Mrs. Barbara Shank and Mrs. Gail Broeker, the hosts and Don Hart, Webelo leader. The pack committee will meet again July 17 in the Hart residence.

GUESTS FROM INDIANA

Mr. and Mrs. Gerald Bushue, 50 Riviera drive, entertained guests during the weekend from Richmond, Ind.

Mr. and Mrs. Robert M. James and their children, Theresa, Stevie Richard and Robert James, left Monday to continue their vacation. They will visit points in and out of St. Louis before returning to their home.

PINOCCHIO CLUB CLOSING ITS SEASON

The Tuesday Evening Pinocchio club held a dinner party at the Round Table in Collinsville Tuesday evening as its final meeting until September. Following the

dinner, the members returned to the home of Mrs. Bertha Witter for cards and dessert.

Prize winners were Mrs. Mary Lou Clausen, first; Mrs. Katie Hommert, second, and Mrs. Lorraine McElroy, third.

Birthday of Mrs. Edith Ryan and Mrs. Harriet Hoff were observed and they received gifts from their secret pals. Others present were Mrs. Ilene Willis, Mrs. Juanita Rosenberg and Mrs. Hazel Rollins.

The group will resume its meetings Sept. 26 in the home of Mrs. Clausen, 3116 Edgewood drive.

RUTH CLASS MEETS AT CALVARY CHURCH

The Ruth class of Calvary Baptist Church held its last meeting of this season Tuesday evening at the church.

Opening prayer was given by Mrs. Esther Showers, and devotions taken from Luke 12 were presented by Mrs. Ruth Conners.

Following the meeting, games were enjoyed and refreshments were served by Mrs. Goldie Ritchie and Mrs. Ruby Pfaff.

Those attending were Mesdames Gussie Hussman, Helen Atwood, Sue O'Master, Zula Cruse, Louella Propp, Hazel Brooks, Beatrice Henry and Lottie Harper. Mrs. Henry dismissed

REFORMATION 450TH ANNIVERSARY plans are shown being made by (left to right) Rev. Arvin Twietmeyer, Elmer Eckert, Rev. Carl Johnson, Conrad Moeller, Paul Hafner, Bud York, C. Ray Kinder, William Zimmer, Phillip Theis (standing behind Zimmer) and Rev. Samuel Boda. Quad-City Lutheran churches will observe the anniversary with a film festival, open houses, float, banquet, study program and services this fall.

the class with prayer.

The class will resume its meetings on Sept. 19.

VISITOR FROM TEXAS

Mark Gregory Johnson of Killean, Tex., is spending his summer vacation with his grandparents, Mr. and Mrs. Thoral Wilson of Union avenue.

He is the son of Mr. and Mrs. Carroll Johnson, former residents of Granite City. Carroll Johnson is district manager of the State

Farm Insurance Agency in Killean.

ANNUAL CHURCH AND BIBLE SCHOOL PICNIC

The First Methodist Church in Venice held its annual church and Bible school picnic Sunday at Lee Park in Venice.

Bible school prizes and blue ribbons were awarded to Toni and Tammy Eck, Ronnie Martin, Jimmy Long, Jimmy Williams and Lori Marcus.

Games of volley ball, badminton, horseshoes and baseball were enjoyed by Rev. and Mrs. Daniel Williams and children, Danny, Anita and Jimmy, Mr. and Mrs. James Urban of Paducah, parents of Mrs. Williams, Mr. and Mrs. Don Marcus and daughters, Lisa and Lori, Mr. and Mrs. John Gonterman Jr. and Phyllis Wallace, all of Granite City, Mr. and Mrs. Lloyd Patterson Jr. of Collinsville, Mr. and Mrs. Jim Marcus of Madison, Mr. and Mrs. Jake Marcus and daughter, Linda, Mr. and Mrs. Clifford Canner, Mrs. Naomi Boelling, Mr. Forrest Boelling and children, Karen, Kim and Kent, Mr. and Mrs. Lloyd Patterson and sons, Kenneth and Richard, Mr. and Mrs. John Gonterman sr. and sons, Lee, Richard, Harold and Jimmy, Toni, Teri and Tammy Eck, Mr. and Mrs. Roger Davis, Miss Rogers Davis, Mrs. Dave Martin and children, Brenda, Ronnie

and Mary, Brenda, Jimmy, Raymond and Harry Long, Danny and Bobbie McKinney, Sharon Taylor, Debbie Leque, Mrs. Mildred Gonterman, Mr. and Mrs. Frank DeWitt and grandson, Scott, Mrs. Magdalen Smith, Shirley Johnson and Gus Rehmus, all of Venice.

ANNOUNCE BIRTH OF SON

Mr. and Mrs. Lawrence Silbrey, 515 Fillmore street, Venice, are announcing the birth of a son, David Allen, nine pounds, five ounces, June 20 at St. Mary's Hospital, East St. Louis. The Silbrey's have five other children, Theresa, Bobby, Tommy, Jeanie and Paul.

Paternal grandparents are Mr. and Mrs. Claude Silbrey sr. of Venice.

BIRTHDAY LUNCHEON

Mr. and Mrs. Donald Cook, 428 Lincoln avenue, Venice, entertained in their home Tuesday in honor of Mrs. Cook's mother, Mrs. Susie Dietrich of Madison, for her birthday.

A luncheon was served and Mrs. Dietrich received many gifts.

Those present were Loni, Donnie and Bobby Cook, Jolene Muskill, Denise Dietrich, Dorothy Graklanoff, Toni Rains and Ceil Kowalczyk.

Mrs. Audress Brown, 801 Fourth street, has entered Missouri-Pacific Hospital and is in room 638.

City Favors Manual Type Parking Meters

Bids for new automatic parking meters for downtown Granite City are to be returned to the manufacturers, as council members decided Monday night to retain the manual operated type and get a cost figure for major repairs to 325 of the city's 657 meters.

Alderman Whitmer, chairman of the Police committee, said three bids had been received for automatic meters and had not yet been opened. "Since the council seems to prefer the manual meters, I'll just tell Comptroller Stevens to return the bids."

A police inspection showed the clock mechanism in 325 meters in the busy section of the meter zone to be virtually worn out and in need of replacement. The new movements and coin box doors would cost about \$30 per meter. The average cost of new meters ranges from \$75 to \$100. Other council members pointed out that meter patrolmen Raymond Ridge and Joseph Kastelic Jr. are adept at repairing the meters, and that the exchange of movements to salvage make

14 Undergo Surgery At St. Elizabeth

Persons undergoing surgery at St. Elizabeth Hospital since Monday include:

Kenneth Gaines, 3332 Palm street; Noel Simons, Collinsville; Jennifer Duckworth, 208 Selb street; Venice; Mary Fehrmann, 1107 Rodger avenue; Susanne Froge, 2325 East 25th street; John E. Hamm, 2100 Elm avenue; Evelyn Williams, 2455 Lake drive.

Steven Dohmal, 1664 Sixth street; Madison; Donald Knight, St. Louis; Joseph P. Mokri, 1436 Grand avenue; Marvel Greene, Troy; Michael J. Welch, 3208 Newell drive; Elizabeth Pippin, 15414 Delmar avenue; and Clarence J. Freise, 1325 Robin street, Venice.

of the present meters would be a great savings to the city. Council action also is expected to require persons using a meter to activate the mechanism, rather than just place a coin in it and let the meter patrolman do the job.

Police Chief Vieser said the patrolmen now are following that practice, and if a meter is in the red, a ticket is being issued.

GC Steel's New Computer Rolling Mill to be Started in July

Granite City Steel Co. expects to record several automating "firsts" by starting up a giant new hot strip rolling mill with full computer control from the very beginning over all the processing sequences used to convert steel slabs into hot rolled plate and hot rolled sheet steel.

Lyle F. Gully, executive vice-president, said today, the new 50-inch continuous hot strip mill which has been under construction almost 2½ years will begin operating in July. The advanced computer system for the mill was developed by General Electric.

Granite City Steel's new mill will be the first in the world with computer control over the charging and discharging of the furnaces where the slabs, thick rectangular sections of steel weighing thousands of pounds, will be heated to about 2300 degrees, F., to prepare for rolling. Slab heating will be done in the three largest walking beam type furnaces ever built.

The extension of computer control to slab heating will help prevent rolling delays and mechanical difficulties resulting from improper heating of the slabs. After heating, the steel will travel through a series of rolling mill

stands, becoming progressively thinner and longer until the desired thickness is reached in the range of from .0478 of an inch minimum to 3/4-inch maximum. The strip will then be wound up in a large coil.

The GE/PAC 4000 digital process computer for Granite City Steel's new mill will control the entire operation, tracking each slab and regulating its processing on the basis of a constant flow of information from electrical, magnetic, optical and electronic devices along the length—almost two-thirds of a mile—of the hot strip mill.

Closed Circuit The computer's instructions will be carried out by automatic gage controls and other sophisticated control systems. Mill operators will use closed circuit television to monitor key points in the hot mill process.

"With modern, high-speed hot mill operation," Gully said, "only a computer can make the hundreds of lightning-fast adjustments required to control physical and metallurgical uniformity from edge to edge and end to end in the long strip. The rolling requirements for one slab may be sharply different than for the next. The computer will apply

data from its memory banks for the proper adjustments of roll settings and control over temperature.

Most slabs entering the new mill will be earmarked for a particular order and must be produced to meet specific requirements as to width, gage and other qualities important to the users of flat rolled steel products. This information will be put into the computer-directed control system when the slabs are brought to the charging side of the furnaces on a power-driven roll table.

The computer will select the furnace for each slab, control the heating, direct the extractor mechanism which removes the slab on the other side, and keep track of the identity and processing requirements for each slab as it moves through a big vertical edger and four roughing and seven finishing mill stands in the 105,000-H.P. mill.

Computer "Instructs" Instructed by the computer, automatic gage control on the finishing mill "train" will act so rapidly that Granite City Steel's new mill is expected to exercise virtually absolute control over gage. If the first stand allows a variation from the exact thickness required at the

point, the massive rolls in the second stand will be given the immediate and delicate adjustment required to correct the variation.

The computer will control a laminar jet flow cooling system which will pour 40,000 gallons of water a minute on the strip of steel as it races from the last finishing mill stand at speeds up to 12 miles an hour. The water moves along a runoff table before entering the coils. Laminar jet flow cooling produces heat so rapidly it provides a significant refinement in grain structure and increased strength and toughness in the steel.

MORE ABOUT

13 Hurt

Elizabeth Hospital for treatment.

Three persons were injured when an auto driven by Doris Forsee, 41, of 4256 Division street, overturned at Interstate 270 and Highway 159 near Maryville at 4:30 p.m. Monday.

Forsee, 34, of Stanton, had two daughters, Sandy, 17, and Beverly, 18, were taken to St. Elizabeth Hospital. The mother was admitted with cuts to her left hand and right ear and with contusions.

Two girls were released after treatment. Sandy suffered contusions to her left cheek, temple and left shoulder. Beverly had contusions to her left ear.

Student Injured Rudy Koshor, 19, of 2419 Washington street, was injured when his auto was struck in the side by another driven by James C. Boster, 34, of Stanton, at 5 a.m. Wednesday on the curve at the bottom of Sunset Hill.

Koshor was enroute to the Southern Illinois University Southwest campus where he is a student. He was admitted to St. Elizabeth Hospital for observation with neck pains and may be discharged today. Boster suffered minor injuries, according to state police.

The steering mechanism on Koshor's auto failed, causing him to lose control. The car took the path of the other auto, state police reported.

Kathleen Gilmore, 15, of 2749 Roosevelt street, was injured when an auto in which she was riding, driven by William A. Carter, 16, of 2207 Nevada avenue, collided with another driven by Keith Harley, 2723 Madison street, Monday afternoon near the Harley home.

She was treated at St. Elizabeth Hospital for abrasions and contusions to the forehead and lacerations to the right eyebrow and was released. Carter was examined and was released. Carter was charged with careless driving.

Terry Whitehead, 18, of 2436 East 24th street, suffered a right knee injury at 7:30 a.m. Tuesday in a two-car collision at the McKelvey Bridge toll station in Venice. Police reported Whitehead was a passenger in a car driven by Larry Young, 44, of Maryville road, which struck the rear of a car driven by James L. Coughlin, Hillside Drive, Ill., which had stopped in the automatic lane at the toll station.

Bernadine R. Eyles, 33, of 4625 Maryville road, complained of pains after her auto ran into the rear of another driven by Dixie L. Lively, 2424 Roney drive, who was stopped at a traffic signal at Johnson and Nameeki roads at 10:50 p.m. Wednesday.

Boy, 5, Recuperating From Severe Chest Cuts

Lance Watkins, five-year-old son of Mr. and Mrs. Wayne J. "Jim" Watkins, 2348 O'Hare avenue, is recuperating from surgery performed Monday as the result of severe cuts to his chest and piercing cuts to his chest caused in a freak accident Sunday.

He is a patient at St. Elizabeth Hospital and will be there several more weeks.

Relating details of the accident, the father said he was out in the back yard of his home when the boy came racing out of the house to see him. The youngster apparently mistook the handle of the storm door and his hand broke the glass.

Pieces of glass cut his chin and pierced his chest, causing a lung to collapse. At the hospital, surgery was performed to insert chest tubes.

The youth is a park district pre-schooler. His father is employed in the offices of American Telephone & Telegraph.

Carl N. Pashoff Given Army Achievement Award

Carl N. Pashoff, 3113 Fehling road, has been awarded a Certificate of Achievement for meritorious service for professional competence as a civilian employee serving in Vietnam.

The certificate was awarded by Col. Delbert L. Bristol, commander of the U.S. Army Aviation Materiel command at St. Louis where Pashoff now is employed in the Directorate of Technology, Cataloging and Standardization.

Cook on Railroad Work Train Loses Jewelry to Thief

Twenty cases of theft and burglary were reported to area authorities since Monday. Loot included tires and wheels, an auto engine and money from several machines. A railroad work train took its lunch and watch and two rings to a "visiting" thief.

F. M. Rhodes of Paris, Ill., a cook on a Norfolk & Western Railroad work train, was robbed of his yellow gold pocket railroad watch, a wrist watch, a ring with a black stone and two diamonds and a three-carat ruby ring while the train was on a siding near the 25th street crossing at 11:25 a.m. Tuesday.

He said a man approached the rail car and asked for a drink of water. The man boarded the car and was given a glass of water. A couple of workmen entered to work on a pump. The cook turned his back a few minutes and saw the location of the pumps, just enough time for the man to snatch the loot and leave.

He was described as being 6 feet, 3 inches tall with no teeth and wearing glasses, dark trousers and a blue shirt.

Eight wheels and tires valued at \$100 each were removed from two large trailers in the parking lot of Brady Motor Freight Co. at Broadway and Market streets, Venice, according to report to Venice police by F. W. Barbeau, manager of the firm. Barbeau told police the theft had occurred since Friday night when the trailers were parked in the lot.

A classroom was ransacked and a bottle of soda was consumed in a burglary at McKinley school, Nidderhagen avenue and Iowa street. It was reported at 4:40 p.m. Wednesday. Nothing was missing. Entry was gained by removing a screen from an unlocked window.

Allen Hampton, 2460 Adams street, reported at 2:10 p.m. Wednesday that an engine from a wrecked 1965 auto was stolen from his yard during the night.

George Gunter, East St. Louis, reported at 3:30 a.m. Wednesday that his white, 1965 two-door auto was stolen from the American Steel Foundries parking lot while he was at work.

Four Boys Arrested Eight boys, ranging in age from four to 14, were arrested Tuesday night following a burglary at the Brewer Motor Co., 2130 Madison avenue, reported at 7:50 p.m. Tuesday. Entry was gained through a side window and a small amount of change from a soda machine and cash registers were taken. The boys were turned over to juvenile authorities.

A small amount of pennies from the cash register and keys to the gas pumps and a soda machine were stolen in a burglary at the Brewer Auto Agency, 2140 Madison avenue, it was reported at 8 a.m. Tuesday. Entry was gained by breaking a window to the service department.

About 50 cartons of cigarettes, cartons of gum and \$3 in pennies were stolen in a burglary at the Dairy Queen, 2649 Madison avenue, after 11:45 p.m. Monday. It was reported at 9:20 a.m. Tuesday. Entry was gained by forcing the rear door with a crow bar.

Long, 604 East Chain of Rocks road, Mitchell, reported to the sheriff's office at 10 p.m. Monday that a portable record player and a .22 caliber automatic rifle were stolen in a burglary at his home. Entry apparently was gained through the front door.

Wayne Warren, 3255 Edgewood drive, reported at 4:40 p.m. Monday that his wallet containing her driver's license and papers was stolen from the Lincoln Place Community Center.

Soda Box Forced

A soda box was forced open and the coin box removed at the front of Bill's service station, Nameeki road and Venice avenue, it was reported at 6:45 a.m. Tuesday.

A coin box containing about \$25 was stolen from a soda machine at Dave's service station, 19th street and Cleveland bld., it was reported at 7:10 a.m. Tuesday. There was no sign of forced entry.

The coin box of a soda machine located outside the Sinclair Station operated at Broadway and Klein street in Venice by Mac Riddle was looted late Monday night according to a report to Venice police Tuesday. Police said there was no indication of the machine being broken open. Riddle said there was about \$50 in the coin box.

John Becker, 2173 Robert avenue, reported to the county sheriff's office at 8:30 p.m. Monday that a portable generator was stolen from a garage on Slough road.

An alternator was stolen from a 1965 auto parked on the Hundey agency used car lot at 1850 Grand avenue, it was reported at 2:15 p.m. Tuesday. The theft occurred last Friday night.

Umbrella Tent Stolen Glen Bartling, 2546 Pontoon road, reported at 1:10 p.m. Tuesday that a boy's dark green umbrella tent valued at \$30 was

Mrs. Sara Arnovitz, 97, Dies in St. Louis

Mrs. Sara Arnovitz, mother of Mrs. Ben (Rose) Schermer and Mrs. Joseph (Ida) Schermer, formerly of Granite City, and the late Dr. E. M. Arnovitz, and grandmother of Mrs. Ted Berger, 2121 Richmond avenue, died at 3 a.m. today at the Regency Nursing Home in St. Louis.

Mrs. Arnovitz, who would have been 98 years old in July, died of natural causes. She was preceded in death by her husband, Ben Arnovitz, a former Quad City businessman.

Gravestone burial services are scheduled for 3 p.m. today at the B'nai B'rith cemetery in St. Louis.

Jaycees to Install, Get Goat to Meeting

Plans to install officers were set and a goat was "awarded" by the Granite City Jaycees at a meeting in the Jaycee Building in Lincoln Place last night.

Installation ceremonies will be held at the Roundabout restaurant July 1 at 6:30 p.m. To be installed for 1968 are Michael D. Jones, president; David A. Walker, first vice-president; Ronald Penn, second vice-president; James Watkins, third vice-president; Gary Sans Souci, secretary; Larry Patton, treasurer; Theodore Niececki, state director; and eight directors, Donald Parney, William A. Eaton, James Jeffries, Richard Dombrowski, Jack Ritchie, Floyd Peckerson, Richard Dawdy and David Steffen.

The goat, a female, was awarded by the Alton Jaycees. They had received the goat from the Godfrey Jaycees the same evening.

Day was elected to care for the animal overnight, or until the chapter can "award" the animal to another Jaycee group. At last report the goat, a friendly animal and fond of children, had eaten the fruit and limbs of a peach tree in Day's yard and was starting on his lawn chairs.

Half of GC Fallout Shelters Now Stocked More than half of the 11,000 shelter spaces available in public fallout shelters in Granite City are now stocked with emergency food supplies, medical kits and other equipment, with the remaining areas to be provided by the shipments of supplies released and allocated by the Federal government.

Reporting yesterday on the shelter program, Victor H. Koenig, civil defense director, said that more than 6000 local shelter spaces are stocked. He made the report at a meeting of the Granite City Civil Defense Advisory Council.

Technical adjustments to the local network of seven warning sirens have been completed. The director said. The next official test will be made at 10:30 a.m. Tuesday, July 4.

While reviewing 1967-68 budget items, Koenig noted that Granite City will receive a \$2000 general appropriation from the Federal government for the first time. The funds will be provided by the local CD organization for personnel and administration expenses.

Wheel Locks—Accident A right front wheel locked and caused the auto of Anthony P. DiVietro, 2804 Dale avenue, to strike the rear of the parked auto of Marilyn A. Greenlee, 2508 Madison avenue, at 3:40 a.m. today at 25th street and Madison avenue. The Greenlee auto was shoved into a utility pole.

MORE ABOUT

Gene Sternberg

International president in recognition of the Granite City Optimist Club being rated as honor club and top-ranking club of the 35 units in district 8 while Sternberg was president.

Sternberg, a native Granite Cityan, is a member of the Engineering fraternity, Triangle. He attended Illinois University and Washington University. He is married to the former Ruth Roseman of Granite City. They have two children, Gene Jr. and Nancy.

stolen from his home during the night.

Eight cartons of cigarettes, \$15 in pennies and three trading stamp books were stolen in a burglary at Carl's service station, East 23rd street and Nameeki road, it was reported at 6:50 a.m. Wednesday. Entry was gained by breaking glass out of a door.

Gary McConnell, 2537 Stratford lane, reported Tuesday morning that a battery was stolen from his 1965 auto while it was parked at his home during the night.

Howard Champion, 2708 Edgewood street, reported at 8:45 a.m. Tuesday that a lawn mower valued at \$50 was stolen from his home.

James Keston, 2708 West 20th street, reported at 10 a.m. Wednesday that the battery was stolen from a boy's dark green umbrella tent valued at \$30 was

it was parked at his home.

HERE FROM GEORGIA
Mr. and Mrs. Don Woodward and son of Atlanta, Ga., have been visiting this week with Mr. and Mrs. C. B. Woodward, 2915 West 22nd street, parents of Don Woodward.

FAMILY REUNION
The family of Mr. and Mrs. Frank Wilson, 2040 Missouri avenue, held a reunion Sunday afternoon at Wilson Park.
Attending were, Mr. and Mrs. Eddie Wilson and sons, St. Louis, Mr. and Mrs. Wyatt Wilson and children, Cahokia, Mr. and Mrs. Bob Wilson, Madison, Mr. and Mrs. Gene Wilson and children and Mr. and Mrs. Wayne Wilson.

AMSBURY TO OBSERVE SILVER ANNIVERSARY
Rev. and Mrs. John Ambury of the Dewey Avenue Methodist Church, West 22nd street and Dewey avenue, will hold open house there Sunday from 2 to 6 p.m.
Rev. and Mrs. Ambury were married June 12, 1942, in East St. Louis at the Alta St. Methodist Church, with Rev. Clarence Talley officiating. They have six children and have been at the local church three years.

ENTERTAIN GUESTS
Mr. and Mrs. Art Corley and children, Rick and Robin, of Overland Park, Kan., were houseguests this weekend of Mr. and Mrs. John Pierson, 2108 Illinois avenue, Mrs. Corley is the sister of Mrs. Pierson.

Mr. and Mrs. Pierson entertained with a surprise birthday party in honor of Mrs. Corley and a graduation party honoring Mrs. Pierson's nephew, James Logan, who graduated June 17 from the University of Illinois.
He graduated with a four-point average and plans to continue his studies at the University of Nebraska. Also attending the party were Mr. and Mrs. Maurice Logan, 2455 Kilarney, his parents.

ARRIVES IN CALIFORNIA
Glen Dean Ethington, seaman apprentice, son of Mr. and Mrs. Richard Ethington, 2037 Bryan avenue, called his parents Tuesday evening to tell them his ship had landed at Long Beach, Calif.
Ethington's ship has been to Viet Nam. The ship will be in dry dock for one year for repairs. He will be working in the mess hall and going to school.

Mr. and Mrs. Douglas Cook, 1111 Madison avenue, had as houseguests during the weekend Mrs. Cook's sister, Mrs. Georgia Jolly and her infant of Aurora, Ill.
Mrs. Jolly returned home Monday. While here, she also visited her grandmother, Mrs. Pearl Pinkston, 2035 Dewey avenue.
Mrs. Jolly is formerly from Granite City.

BRIDAL SHOWER
Mrs. Dennis Hecht, a recent bride, was honored at a miscellaneous bridal shower Monday evening at the Dewey Avenue Methodist Church.
The gift table was centered with blue paper parasols, and wedding bells were suspended from the table corners. A backdrop of white was covered with white wedding bells. The bride and groom were the guests of honor.

ST. JOHN LUTHERAN CHURCH FAMILY PICNIC
A family picnic and barbecue for members of St. John Lutheran Church on St. Clair avenue will be held at 1 p.m. Sunday at the Park Marquette State Park near Grafton.
Ticket sales will purchase barbecued chicken, pork steaks or shishkabobs for the families. Members of the church are to bring the remainder of the food desired.
Reservations for the picnic may be made as late as Saturday afternoon by calling O. T. Potter, WE 1-2291.

Good Shepherd EUB Church, 3025 National avenue, will have a church school promotion Sunday afternoon by calling O. T. Potter, WE 1-2291.

Special recognition will be given to the following: Paula Squires, Donna Sexton, Carol Beth Potillo and Mary Frances Felker.
Prizes were awarded to Mrs. Karen Ambury, Mrs. Alma Davis, Mrs. Minnie Rowley, Mrs. Staggis, Mabel Goleman, Violet Renda Reed, Mrs. Estelle Lane, Miller, Mable Greer, Renda Reed, Florence Mott, Ella Lind, Ollie Johnson, Mabel Lehne, Brenda Burlison, Edith Jenkins, Mabel Lane, Estelle Lane, Opal Hutchison, Virginia Kessler, Gene Hill, Geneva Felker, Doris Sexton, Pauline Squires, Louise Potillo, Betty Craft, Ruby Redmon, Tinnie Webb and Madona Shaw, Misses Lanette Squires, Sharon Hancock, Sandra DuFrain, Becky Ambury, Cynthia Ambury, Jane Poole, Debbie visit in Cincinnati, O. Mrs. Gil-Plabanek, Mrs. Leean Campbell, Mrs. Margie Cox, Mrs. Imogene Biggs and Mrs. Sharon File.

ANNOUNCE DAUGHTER
Bringing home their new daughter from St. Elizabeth Hospital yesterday were Mr. and Mrs. Louis Glosick, 1412 Alice street, Collinsville, Mrs. Glosick is the former Sherill Wilson of Granite City and the new arrival has been named Tina Marie.

Grandparents are Mr. and Mrs. Forrest Wilson, 2597 Grand avenue, Granite City, and Mrs. Bertha Roy Glosick of Bath, N. Y., who will arrive in Collinsville this week to see their new granddaughter.

Glosick is custodian of Park 20 of Webster school.

Refreshments were served by the hostesses to the honoree and Mrs. Ernestine Lee, Mrs. Thelma Black, Mrs. Leona Mack, Mrs. Buelah Black, Mrs. Gail Jacobs, Mrs. Lucille Mossa and Mrs. June Mowery.

MRS. KINDER HOSTESS TO CHURCH CIRCLE
The Margaret Lawwell circle of Calvary Baptist Church met Monday evening in the home of Mrs. Delphine Kinder on Rural Route One.

Progress for the evening was "Churches Form a Convention: Utah-Idaho." The community mission project of the group this year was to help with the church Bible school held last week.

Mrs. Janice Stanton closed the meeting in prayer and the hostess served refreshments to Mrs. Stanton, Mrs. Norma Smith, Mrs. Emily Hagopian and a visitor, Mrs. Judy Beach.

Mrs. Janice Stanton invited the circle to meet at her home, 2944 Washington avenue, July 10.

HONORED ON BIRTHDAY
A surprise birthday party honoring Mrs. Reba Grove was given Tuesday evening by Mrs. Kay Sykes, Mrs. Buelah Ross and Mrs. Helen Frazer, 2327 Lincoln avenue.
Refreshments were served by the hostesses to the honoree and Mrs. Helen McKeehan, Mrs. Pauline Dawson, Mrs. Joan Campbell, Mrs. Leean Campbell, Mrs. Margie Cox, Mrs. Imogene Biggs and Mrs. Sharon File.

The Misspillion refuels other ships of the fleet with oil, jet fuel or aviation gasoline. While with the Seventh Fleet, she has seen duty in the Gulf of Tonkin, South China Sea, and the Gulf of Sum.

on to those being promoted into the next age level class, and each will receive a promotion certificate.

CRADLE SHOWER
Mrs. Alta Cook was honored Monday evening at a cradle shower given by Mrs. Kathleen Juergensen, Mrs. Helen Jenkins and Mrs. Billie Jenkins at the home of Mrs. Juergensen, 2223 Washington avenue.

Games were played, prizes were awarded, and favors were presented to the guests.

Refreshments were served by the hostesses to the honoree and Mrs. Ernestine Lee, Mrs. Thelma Black, Mrs. Leona Mack, Mrs. Buelah Black, Mrs. Gail Jacobs, Mrs. Lucille Mossa and Mrs. June Mowery.

Mrs. Janice Stanton closed the meeting in prayer and the hostess served refreshments to Mrs. Stanton, Mrs. Norma Smith, Mrs. Emily Hagopian and a visitor, Mrs. Judy Beach.

Mrs. Janice Stanton invited the circle to meet at her home, 2944 Washington avenue, July 10.

PREPARE FOR STAY AT BOY SCOUT CAMP
Boy Scout Troop 23B met Tuesday evening with its leader, Leonard Barron, at the Long Lake volunteer fire department's recreation hall and made plans for Camp Sunnen.

Food plans were prepared and transportation was arranged. They will leave at 11 a.m. Sunday for the camp, with 12 scouts to attend.

Committee man Otto Kreher was present along with Richard Bredon, Fred Biggs, Pete Fourch, John Harper, Steve and Dave Hutchings, Dan Jones, Danny Kreher, Gregory Snyder, Larry Taylor and Jeff and Vaughn Wainwright.

Recy Ruder of the troop is at Camp Sunnen this week as a junior leader. He is helping set up the campsite for the troop.

Charles Kennerly and son, Ed, motored to Dubois, Ill., Sunday to take his daughter, Cherylene Kennerly, and Barbara Sage to camp for a week. They are attending a church camp located at Dubois.

Dr. Roman Reports on Optometric Board Meet
Dr. Leo A. Roman, local optometrist, attended the annual board of directors meeting of the Optometric Center of St. Louis, Inc., Tuesday in the executive offices of the American Optometric Association in St. Louis. He reported that the patient load at the Optometric Center of St. Louis, founded in October 1955 to provide services and visual care for the needy, has increased more than 500% during the past year.

Plans were made to extend the facilities, and proposed by-law changes were made to accept a larger number of patients in the coming year.
Dr. Roman was appointed to the staff in 1966 and donates time to the clinic on a regular basis. He is active in dealing with remedial visual problems in children.

MORE ABOUT Tentative UF

ing were—Robert Hess, vice-chairman of the Industrial Firms Division; Thomas Ditchfield, chairman, Industrial Employees Division; James Marlow, chairman, Manufacturing Employees Section; Barry Loman, chairman, Commercial Division; John Hughes Blake, chairman, Automotive Section; Charles "Bill" Burns, chairman, Restaurants Section; John Grieco, Manufacturing Employees Section; John D. Solenberger, executive director, and J. D. Bartels, chairman of publicity.

Solenberger showed a sound and slide-film presentation that will be used for promotional purposes. It is entitled, "How Do You Figure?" and runs 12 minutes. It will be available for worker organizational sessions and club meetings.

Based on the probable campaign goal, quotas were assigned to the divisions, and the chairmen were asked to submit breakdowns for their sections.

A rundown of the probable divisional goals follows:
Industrial Firms, \$140,000;
Industrial Employees, \$170,000;
Commercial, \$34,000; Professional, \$5000; Public Service, \$18,500;
Residential, \$2500; Madison, \$9000; and Venice, \$2500.

Mrs. Maxton Attending Specialized Workshop

Mrs. Ila Maxton, 30 Oaklawn drive, a homebound teacher in the special education department of the Granite City school system, is among the 27 students participating in a "Learning Disabilities" workshop at MacMurray College, Jacksonville, Ill. The sessions began Tuesday and will continue through July 28.

Ten of the 27 participants, including Mrs. Maxton, are attending the workshop series under grants in special education issued by the Illinois Office of Public Instruction. Two students have been provided grants by the American Foundation for the Blind and one is attending under a grant from the Mental Health Department.

SIU-SW Student Bound for Europe

Miss Katherine Harsh, a senior at Southern Illinois University—Southwestern campus, left yesterday from St. Louis, bound for Europe along with 28 students and four faculty members, for an eight-week stay combining sightseeing and academic work.

Miss Harsh, daughter of Mr. and Mrs. James Harsh 1531 Cottage avenue, will spend four weeks touring the British Isles and the continent by bus and four weeks of studying at the 800-year-old Oxford University in England.

The group tour will include the European cities of Paris, Dijon, Basel, Lucerne, Zurich, Innsbruck, Munich, Heidelberg, Cologne, Brussels and Amsterdam, returning from that city Aug. 15.

A heavy rain and electrical storm swept the Quad-City area early yesterday, dumping more than an inch of rain that flooded streets and stalled traffic in scattered sections.

The intensity of the downpour was believed to have contributed to the collapse of a funeral home garage roof, damaging an auto parked inside.

Lightning struck a home, damaging plaster and wires leading to the television antenna. Flooded intersections forced motorists to detour in many parts of the city.

A power line snapped at Namecki and Johnson roads a few hours after the storm subsided and an Illinois Power Co. crew was called out for repairs.

Garage Roof Collapses
The garage roof collapsed at Mercer Mortuary, 1416 Niedringhaus avenue, about 7:30 a.m. and the weight of water was believed to have attributed to the damage, although a spokesman said cause of the incident was not determined definitely.

The roof fell on top of an auto parked inside the garage. The top of the car was crushed. No estimate of the damage was available.

Lightning struck the home of John A. Doroughazi, 4027 Stearns avenue. Firemen were called to the scene and estimated damage to plaster walls and wiring at \$50.

Rainfall was recorded at 1.01 inches yesterday, following .14 of an inch of rain on Tuesday. The downpour increased to 3.57 the total rainfall for the 21 days of the month but still 1.01 inches under the June normal fall of 4.29 inches.

DAV Auxiliary Prepares Parcels for Vietnam

Continuing a project started last year, members of the Disabled American Veterans Auxiliary, Chapter 53, spent most of last evening preparing and wrapping packages for mailing to local servicemen in Vietnam. Five parcels were completed and readied for mailing today.

Mrs. Frieda Postowko, junior vice-commander, was in charge of the monthly social meeting, held in the DAV hall on 19th street.

The group played games during the remainder of the evening. Those awarded prizes were Mrs. Helen Miller, Mrs. Lij Hefferty, Mrs. Dorothy Best, Mrs. Ruth Nunes and Mrs. Louise Scheiff. Refreshments were served by Mrs. Miller, hostess for the meeting, to the prize-winners and Mrs. Mildred Werner and Mrs. Irene Nienhaus. A business meeting will be held July 5.

GCHS Students to Attend U of I Fete

Kathleen Moran, daughter of Appellate Judge and Mrs. George J. Moran, 2801 Idaho avenue, has been selected to attend the University of Illinois High School Latin Conference to be held June 25-27 at Urbana. Miss Moran is a junior at the local high school.

Conducted by the university department of Classics, the conference will have two lectures and two discussion sessions each day concerning aspects of Greek and Roman civilizations not usually covered in high school courses.

Each high school student selected must have completed at least two years of high school Latin and must be recommended by a Latin teacher.

School Leaders to Meet

At SIU-SW on Saturday

County superintendents of schools from the bi-state metropolitan area will meet at 11:30 a.m. Sunday with the faculty of the Southern Illinois University-Southwestern campus in the University Center.

The educators will discuss methods of extending university services to community school system and will include a short presentation by SIU President Delye Morris.

Form Bureau Offers

Two \$200 Scholarships

The Madison County Farm Bureau is offering two \$200 cash scholarships to senior boys and girls who will graduate in the spring of 1968. Harold L. Gindler, president, announced.

The scholarships will go to winners of an essay contest on agriculture. Information is available from school principals.

Budget in the Making

It's Pet Project Time for Council Members

Pet Projects for street work and other improvements took up most of Monday night's Granite City Council session as the aldermen had turns submitting their requests.

A supplemental motor fuel tax resolution for an added \$25,000 MFT funds for the Garfield, College, Lindell, Clark avenue project immediately east of Nameoki road was approved for forwarding to the state highway department.

The project calls for a total of \$65,000 MFT funds for bituminous paving of 36-foot streets for a distance of 400 feet on each street off Nameoki road. Curb and drainage are to be included.

Many times, as the projects for curb work and for paving, stress were presented. Alderman Fry called for careful review of the proposal since the city is to be undertaking the installation of storm water lines

and sewer lines under the \$3,400,000 bond issue-federal grant sewer program.

Sewer Work Next Year

He was advised that such work, with possible exception of sanitary sewer lines, will not be started for at least a year, since the engineer has only preliminary plans. Details for the project will pinpoint the exact location of the lines.

"We still have to consider these projects," Fry said. "There's no use repaving a street or putting in curbs this year, only to have the work turn out next year to install a sewer line."

Fry was critical of Alderman Johnson's call for bids for installation of curbing along the west side of Warren avenue from Fair to St. Charles avenue, pointing out "There's a sewer line to go along there and catchbasins to be installed." Mention was made by Street Supt. Warfield that the curb was along the street. He resides at 2945 Warren avenue.

"It won't interfere, since the curbs will be on only one side," Warfield commented.

Cost Estimates

Engineer estimates were given for several projects proposed at earlier council sessions. These included \$24,500 to resurface Grand avenue from 21st street to 26th street; \$6000 for resurfacing the 2100 block of Benton street; \$3600 for resurfacing 19th street from Cleveland blvd. to the railroad tracks; \$16,000 to resurface three blocks of Maple street; \$7500 for 900 feet of curbing in the 1600 block of Maple street; \$5000 for drainage along Maple street; \$5000 to remove a hump from Harding blvd. and \$800 to open the alley at the rear of the Rose Bowl.

A request was made for getting a cost estimate for resurfacing Washington avenue from 24th street to Nameoki road and bringing protests from Alderman Noon, who commented, "We're coming in with five to eight such projects a week. We'll need a million dollars to do all this work. You can't spend what you don't have."

Other aldermen pointed out the

list of projects can be reviewed prior to adoption of the new budget.

Curb Requests

Another request was for a cost estimate for curbs in the 1800 block of Spring avenue and the curbs in the 2600 block of Center street, costing an estimated \$8000, to be included in the budget.

Installation of a sidewalk along 25th street between Adams and Benton streets was requested.

Drainage problems posed by council members included Fry's recommendation for Nameoki road to be surveyed because of puddles along the new pavement. He and Alderman Johnson, who is chairman of the Street committee, recommended the state highway department be notified that the street will not be accepted by the city until proper drainage is provided.

Drainage along Harding blvd. has been disrupted because of the highway grading for Federal Aid Route 151, Basarich noted.

Manley Ave. Drainage

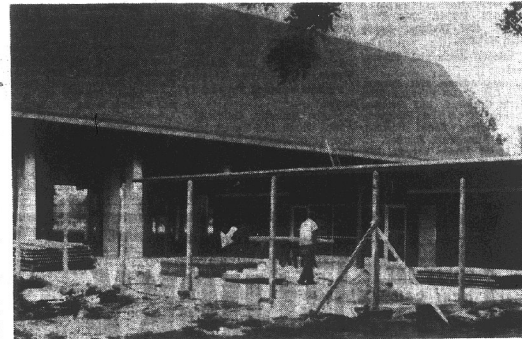

Johnson requested a cost estimate be obtained for a drainage line along Manley avenue for a distance of two blocks between Franklin avenue and the ditch. Bids for concrete work—curbs and sidewalks—were presented to the council and then referred to the Street committee for recommendation.

Two bids were received. Ellsworth Concrete Co. submitted a price of \$420 a lineal foot for curb and gutter replacement and 58 cents a square foot for new sidewalks. Thomas Skoville Co. submitted figures of \$3.92 a lineal foot for curb and gutter replacement, 64 cents a square foot for new sidewalk, 77 cents a square foot for driveway installation, and 74 cents a square foot for new driveway installation.

Sewer Complaint

The city was advised by Mr. and Mrs. Andrew Orsey, 3400 Terrace lane, that they plan to seek damages from the city as a result of the lack on a sewer connection installation at their home. The trunk line along Terrace lane was replaced several years ago, and the couple said their home was not connected to the trunk. The notice was referred to the city attorney who was instructed to study the contract with the builder.

Referred to the Street committee was a request from Ross Smith, pastor of the Bricefield Pentecostal Church, for a curb break at 1120 West Pontoon road. The city was advised by the state highway department on the approval of expenditure of \$37,994 motor fuel tax funds for

OUTDOOR BONFIRE FACILITY (arrow) next to rink floor will be enclosed with a stockade fence. Here workmen are placing posts. At the right is the warming room building.

2nd in Series of Ecumenical Discussion Programs Sunday

The second session of a series of ecumenical discussions will be held Sunday evening at Central Christian Church, 2620 Johnson street. The program, involving about 15 ministers and congregations of the Quad-Cities, will be held at 7:30 p.m.

The first session was held a month ago and was well attended. The discussion at that time dealt with the authority of Holy Scripture.

Next Sunday's session will have as its theme "Christian Worship." A four-member panel will present the subject from various denominational viewpoints. Their presentations will be followed by a general discussion.

The annual summer street maintenance program for arterial streets. The bids were for application of liquid asphalt and road oil and related materials.

Alderman Johnson reported to the council on last week's meeting of the proposed new north-south street along the east side of the railroad tracks between 22nd street and either Manley avenue or Pontoon road.

He called for \$2000 to be placed in the new budget for an engineering survey to determine a location. He pointed out that only preliminary negotiations have been started with property owners and that no decision has yet been made for a location. The \$2000 item was opposed by Aldermen Whitmer, Rutledge, Noon and Fry.

Alderman Poulos asked that the family in the 2200 block of Benton avenue be given compensation for expending seven years of their lives in vain, as they have with axes removing a tree stump and roots from city property between the sidewalk and curb. "They ought to get something for the blisters, and their little girl fell off the stump and split her lip and there was a \$9 doctor bill," he added.

When other aldermen objected to such a proposal, Poulos said he would have the household submit a request in writing.

Pvt. Curtiss Completes Guerrilla Exercises

Arny Pvt. Curtiss D. Fletcher, 21, son of Mr. and Mrs. Dale J. Fletcher, 2176 Robert avenue, has completed nine weeks of advanced infantry training at Fort Polk, La. His last warfare exercise was in guerrilla warfare exercises.

During his guerrilla training, he lived under simulated Vietnam conditions for five days, fighting off night attacks and conducting raids on "enemy" villages. He was taught methods of removing body traps, setting ambushes and avoiding enemy ambushes.

The public is being invited to share the opening of 74 uniforms and discussion with members of the participating congregations.

Protestant Welfare Lowers UP Budget

The annual funds which the Protestant Welfare Association receives from the Tri-Cities Area United Fund have been reduced by \$4500 for the coming fiscal year, Mrs. Marie Whittle, secretary, announced yesterday.

At the monthly meeting, held Tuesday at the Nameoki Presbyterian Church, it was announced Protestant Welfare received \$22,000 from the United Fund, their principal contributor.

Harold R. Fischer, agency finance director and president of the First Granite City National Bank, explained that the PWA asked for less funds this year because they had a sizable bill from past years, approximately \$5000, to carry over into the new year.

Fischer and Mrs. Whittle stressed that the PWA anticipated no curtailment of their welfare and relief services.

The meeting was attended by PWA officers and 30 representatives from local churches, and the officers delivered their monthly reports. Dr. E. H. Thies reported on mental health work and Dr. Raymond Troyer reported on a meeting with the Ministerial Alliance.

Savings, Loan Firms Join State Observance

Savings and loan associations who make up the Illinois Savings & Loan League will participate in the year-long Illinois observance of the state's 150th year, according to announcement by Charles E. Gilliland of Florida, president of the state league.

Gilliland said the league's first project in cooperation with the Illinois Sesqui-centennial Commission will be the sale and distribution of commemorative medals to be issued in various sizes and pieces. Only 10,000 such silver pieces will be issued and they will sell for \$7.50.

Bronze pieces also will be issued at a price of \$1 each. Both of the pieces are expected to have wide appeal and become collector's items. They are the same size and design. One side displays the great Seal of the State of Illinois, while the other depicts the progress of the 21st State of the Union through 150 years—from oxen to jet planes to the space age.

U. S. Air Force Offers Veterans Re-enlistment

Sgt. Ivy J. Doubet, Air Force recruiter in East St. Louis, has announced that veterans of any branch of the Armed Forces now have an opportunity to get back in uniform.

Effective July 1, the Air Force will remove most of the restrictions on its prior service program. Any veteran who has been unable to re-enlist in the past because his former service training was unsuitable for Air Force needs will have the opportunity to re-enlist.

He will have a choice of one of 38 technical schools being offered by the Air Force. Prior to enlistment, each individual will know which training school he will attend, how long the school will last, the rank in which he will be enlisted and to which base he will be permanently assigned after technical training.

National Officer to Visit Croatian Picnic

All is in readiness for regional festivities to be conducted outdoors Saturday and Sunday at Croatian Fraternal Union Velebit Lodge 222, located at 14th street and Grand avenue. Over 3000 are expected to attend.

The annual picnic will honor 50-year members and will be highlighted by entertainment and dancing from 8 p.m. to midnight Saturday, music by the Junior Tamburica Orchestra and Maria Trian's Thirty Five beginning at 2 p.m. Sunday, and music by Butch Buecher's polka band from 8 p.m. to midnight Sunday.

Guest speaker Sunday will be John Ovarich, Pittsburgh, secretary of the national CPU Sick Benefit Department. Joe Glick is president of Lodge 222.

West Point Parents Club Meets at Depot

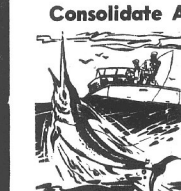

Col. Charles E. Hoskin III, commander of the Granite City Army Depot, welcomed the West Point Parents Club at a luncheon meeting this week at the depot.

The group of 90 persons included several plebes from West Point, their parents and parents of upper classmen. He cited the cadets as the leaders of the future.

THERE'S STILL TIME TO WIN BIG!

A simple caption for this cartoon can win a big NO-FROST Refrigerator-Freezer

You can have a supermarket in your kitchen—free! All it takes is writing a caption for the Dagwood and Blondie cartoon at right.

Nothing to buy... enter as often as you like. Get your entry blank now at your participating appliance dealer. He's the man in the red bow tie... and he's offering special values this month on refrigerator-freezers. Look the new models over... you'll love the added storage space, ice cubes that pop out easily... and the no defrosting feature. But hurry... contest closes June 28th!

PRIZE LIST

- 4 No-Frost Refrigerator-Freezers
- General Electric • Hotpoint
- Frigidaire • Westinghouse

HERE'S ALL YOU DO

- Print your caption on this entry form or letterhead, or get entry form from any participating appliance dealer.
- Deposit entry in the box provided at any appliance store displaying a BUY BIG-BUY NO FROST sign.

Grand prize winners will be selected from all entries. Entries will be judged on originality. Decisions of judges are final. Employees of Illinois Power Company and its subsidiaries are not eligible to enter. Winners will be notified and winners' names will be listed in the appliance dealer's window.

Entries must be submitted by midnight, June 28, 1967.

City to Ask State To Lift No-Parking Ban on Maryville

The state highway department will be asked to reconsider its required no-parking restrictions along the recently improved section of Maryville road in Granite City.

Alderman Johnson of the Eighth Ward said two weeks ago that persons living along Maryville road were forced to have guests park in their front yards since parking is prohibited on the street, and he asked if the city could repeal the no-parking ban and take down the signs.

Johnson said during Monday night's council session that no one was concerned when the no-parking ban was agreed upon to get motor fuel tax financing for the improvement of the highway.

"The problem has come up, and something should be done," he commented. "The people have a real predicament."

City Atty. Allen said the city could not just move in and take the signs down "without ramifications from the state."

He and Alderman Basarich suggested the city ask the state to consider the removal of the restrictions, and the city clerk was instructed to write a letter explaining the problem and making the request. The letter is to go to the state's district highway engineer, Robert Krnost, at French Village.

Floyd Cohoon, 40, Succumbs to Cancer

Floyd Cohoon, 40, of 2917 Willow avenue, died at 7:50 p.m. Monday at St. Elizabeth Hospital. He had cancer and was ill for one year. He was hospitalized one day.

A native of Vandellia, he lived in Granite City for 18 years and previously resided in Mattoon. He had been employed as a truck driver by the Arkansas Best Express for one year and by Roadway Express the previous 13 years. He was a member of St. Margaret Mary's Church and Local 800 of the Teamsters union.

He is survived by his wife, Mrs. Beatrice Cohoon; four children, Mrs. David (Sheila) Wolfe, Granite City, Judy Diane, 14, Steven Floyd, 11, and Tammie Lynn, 18 months; his father, Harry Cohoon, Vandellia; a sister, Mrs. Lynn (Talma) Slater, Downers Grove, Ill.; and one grandchild.

Services were held Wednesday at St. Margaret Mary's Church. An obituary notice appears elsewhere in this issue.

Alton State Hospital to Mark 50th Anniversary

Alton State Hospital will celebrate its 50th anniversary in August. The hospital was opened officially and admitted patients in the summer of 1917.

Dr. Abraham Simon, superintendent, has named Dr. Endre Komlos, assistant superintendent, Mae Oller, acting mental health educator, and Marjorie Dintelman, volunteer supervisor, as co-chairmen of a committee to plan the commemoration program.

Plans are being made for an employee basket dinner at 1:30 p.m. Aug. 13. All former employees and those who are retired are encouraged to attend the homecoming type picnic.

Right Turn on Red Signal Still Pending

Granite City council members still are considering right turns on red traffic lights at certain intersections and despite protests by Police Chief Velzer, placed on first reading Monday night an ordinance for the Nameoki road.

The ordinance, proposed by Alderman Parmley to speed the flow of traffic at the busy intersection, failed to get a sufficient vote for passage and was placed on first reading by a vote of 10-2-4.

Parmley pointed out that vehicles wanting to make right turns often back up to block traffic in other lanes and that by permitting a right turn after a stop for a red traffic signal that traffic would flow more smoothly.

Chief Velzer commented that the added cars making right turns would be hazardous, and that when school is in session, there would be dangers for pedestrians.

Another ordinance also was placed on first reading to permit aldermen to study the proposal for widening a 15-foot utility easement between two lots in Addition Five, Lueders Park Estates subdivision.

Class this Evening For Young Married Couples

"We Both Have to Eat", a lesson planned for young married couples, will be presented by Nyla Gorham, University of Illinois foods and nutrition specialist, today at 7:30 p.m. at the Home Economics Extension office in the Farm Bureau Building, 900 Hillside avenue, Edwardsville. Both husband and wife may attend, or the class is open to either.

Miss Gorham will discuss spending the family food dollar, how to plan and balance menus and food habits, likes and dislikes.

GC Council Town Board Oks Bills—\$6207 Total

In a brief session as the township board of auditors, Granite City council members Monday night approved township disbursements amounting to \$6207. In the absence of vacationing Mayor Partney, Alderman Nann was named to preside for the five-minute town board session.

Of the \$6207 total disbursements, \$4381 was for general assistance and \$1826 for town purposes.

Four Meeting Rooms Available at Motel

The Travelodge Motel now has four private meeting rooms available at the executive apartment annex in the 1800 block of Cleveland blvd., the manager, Nelson Hediger, said today.

The air-conditioned rooms are for groups of 10 to 150 and catering service is available. They may be rented for receptions, club meetings, anniversaries, private parties, dinners or business meetings.

Hediger said for a business meeting, up to 200 persons could be seated by removing partitions. All of the rooms are decorated and banquet furnishings are available.

GC, Madison Plan Bigger July 4 Holiday Events

A softball tournament, a street dance, carnival rides and a fireworks display bigger and better than ever presented before will feature this year's Fourth of July celebration to be sponsored by the Granite City park district at Wilson Park.

The annual July 4th celebration in Madison will be sponsored this year by Madison Amvets Post 204. The four-day program will be held on the Third street picnic grounds with children's ride matinees scheduled the first three days of the program.

The Granite City softball tournament will be a five-day affair, opening with a night game on Friday, June 30, and continuing with a daily schedule of games through July 4. Eleven teams are to compete this year.

The carnival midway of rides and concession stands at Wilson Park will open on Saturday, July 1, from 1 to 10 p.m. Concession stands will be operated by clubs and organizations of the district. Rides will operate on Sunday from 2 to 5 p.m. at matinee prices of 15 cents and at the same price during the same hours on Monday. Rides Sunday and Monday night will be at regular price.

Softball tournament games are to be played during the morning, afternoon and night on Saturday, during the afternoon and night on Sunday, at night on Monday, with finals scheduled Tuesday afternoon and night. Rides on Tuesday, Fourth of July day, will operate all day from 1 to 11 p.m. at regular prices.

The fireworks display is scheduled at 9 p.m.

Madison-Venice Knory league ball teams will compete and many food and concession stands will be included on the usual carnival midway. Groups wishing to operate concessions may contact Amvets Commander Vasil Gravelle at GL 2-3170 or Sam Boshoff at GL 4-9256.

The fireworks displays are set for the night of July 4.

Harry Curry, V-P At Union Starch, Dies at Age 81

Funeral services for Harry W. Curry, 81, vice-president of Union Starch & Refining Co., were held at 1 p.m. Wednesday in St. Louis county. Burial was in Oak Grove mausoleum.

Mr. Curry died at 5:30 a.m. Monday at Faith Hospital, St. Louis, of a ruptured blood vessel. He was on a retired status at the local industry for several years but remained active on a consulting basis, reporting to the plant several times a week. He attended a conference here last Thursday.

Mr. Curry was one of the oldest remaining persons, and one of the most well known, in the corn products industry. He started to work in wet milling plants in his teens around the turn of the century at the Edgewater plant in New Jersey, then the largest such plant in the nation.

He came to Union Starch in the early 1940's from the Corn Products Co. and helped modernize the local plant. In the early 1950's he helped install the dry starch facility which now includes a good part of Union Starch production.

He was born at Fort Leavenworth, Kans. His wife, Mrs. Ida E. Curry, preceded him in death. He is survived by a granddaughter, Mrs. Patricia Wilson, LaGrange Park, Ill., and two nieces, Mrs. Kathleen Korado, Brick Town, N.J., and Mrs. Isabelle Westcott, Petersburg, Va.

Adams Street Residents Want One-Way Traffic

Complaints arising from the extension of the city's one-way street system were reviewed Monday night by Granite City council members who authorized a study to determine if Adams street should be designated as one-way, southbound.

Several aldermen pointed out the residents are complaining of increased traffic flow and also the use of the street by heavy trucks. Robertson noted the street has a five-ton load limit and called for enforcement.

He was advised by Police Chief Revez that the department does not have a scale to weigh trucks. The load limit ordinance is to be reviewed to determine if it is adequate and if changes might be needed.

At the request of Alderman Rutledge, the Adams street one-way proposal is to be referred to the council's Traffic Committee and the Citizens' Traffic Commission for recommendation.

Several aldermen said they had received no complaints.

Another problem street is Washington avenue, where a study to determine if Adams street has become one-way, northbound, from 20th street to Nameoki road.

Recommendations were made for a cost estimate to be obtained to resurface Washington avenue from 24th street to Nameoki road.

Alderman Jarrett also suggested that an Illinois Power Revez that the department does not have a scale to weigh trucks. The load limit ordinance is to be reviewed to determine if it is adequate and if changes might be needed.

The power company's request for a 140-foot excavation to re-locate a gas line was referred to the council's Traffic Committee. The street would be excavated June 26-30.

400 Area Women to Aid Cerebral Palsy Drive

Approximately 400 women will take part in the drive for funds in the Quad-City area of the United Cerebral Palsy Association of Madison-St. Clair counties drive scheduled to open in the area tomorrow. A quota of \$20,000 has been set in the bi-county area, with more than 300 women expected to take part in the drive in 24 communities.

Dr. Felicia Koch has been named chairman of the Quad-City area of the campaign which is conducted annually to raise funds used in combating the disease known as the nation's No. 1 cripple.

Funds raised in the campaign this year will help establish six new programs which will include Summer Day Camp for cerebral palsy children of ages 6 to 16 and monitor programs which train teenagers and adults to assist in the home of a cerebral palsy child as an aid or as a baby sitter.

DAV to Host District Event; Plans Drive

Disabled American Veterans, Chapter 53 of Granite City, conduct its annual "For-Get-Me-Not" drive in the Quad-City area on Sept. 14, 15 and 16. It was announced today by John Nunes Jr., local chapter commander.

Preliminary plans for the year-long fund-raising campaign were discussed Monday evening at a business session, held in the DAV hall on 19th street. Members also agreed to host a quarterly meeting of the DAV Egyptian District, which comprises 23 chapters in the local group. The latter event will take place here Sunday, July 9.

Appointed to represent the Granite City Chapter at the annual DAV state convention July 14, 15 and 16, at Peoria, were Andrew Gitchoff, Paul Cooper, and John Gitchoff and the local chapter commander.

GC Officer Attending Human Relation Workshop

Authorization was given for a police department juvenile officer, Granite City Patrolman Alan McMaster, to attend a human relations workshop being held at the University of Southern Illinois at Carbondale.

Council members voted approval Monday night for the request by Police Chief Veizer, and a \$50 expense allowance.

Collide in Madison

Cars driven by David B. Mueure, Bunker Hill, and Wilbert F. Schaefer, 1322 Fourth street, Madison, collided at 2:25 p.m. Monday in a collision at Third street and McCambridge avenue. Police reported the mishap occurred as Mueure was driving south on McCambridge and Schaefer was headed north, making a left turn into Third street.

But school administrators were unable to reach a decision earlier this year, he said. Vernon Frances, state director of special education, has estimated that the county must do four times as much as currently for handicapped children to meet state requirements.

Richard Bauer, Rural Route One, reported at 10 p.m. Monday that his mail box was blown up, apparently by firecrackers.

The sheriff's office said it was one of many such incidents occurring in the county that postal inspectors are investigating and that vandals, if caught, will be prosecuted.

Mail Box Blown Up, Investigation Starts

Richard Bauer, Rural Route One, reported at 10 p.m. Monday that his mail box was blown up, apparently by firecrackers.

The sheriff's office said it was one of many such incidents occurring in the county that postal inspectors are investigating and that vandals, if caught, will be prosecuted.

What every homeowner-to-be should know about buying real estate

Others may have a legal interest in the property you're going to buy. These interests could exist because of mortgages, liens due to unpaid taxes, claims of those to whom the previous owner owes money—and many others.

Anyone who may have such a claim is, in a limited way, a part owner. If the property is sold without his knowledge, his claim is void—even if you know nothing about this claim against the property when you buy it.

A deed does not protect you. Even though the seller gives you a deed, this is no assurance that you are receiving title to the property free and clear of possible claims.

A "deed" is simply a paper indicating that the seller transfers his right of ownership—whatever it may be—to you. It does not prove that he is the owner, nor does it do away with claims or rights others may have in the property.

Only one sure way to protect your investment in real estate. First, it is always wise to safeguard all of your interests during every phase of buying real estate by retaining the services of a lawyer.

And, second—instant on a title insurance policy from Chicago Title and Trust Company when you buy. INSURE your title. Then you will be certain that every possible interest or claim that can be found by a search of the public records has been revealed—and that any other claims which may rise out of the past—that may have been "hidden" and undiscovered—will be covered by your title insurance.

New home or used, title insurance is the safe way. If you plan to build or buy a new home, have your attorney ask your builder or mortgage lender to arrange for a title insurance policy from Chicago Title and Trust Company.

When you buy an existing home, have your attorney ask the seller to provide a Chicago Title and Trust Company title insurance policy.

Write today for free booklet, "Why Your Title to Real Estate Should be Insured" will answer many questions for you, give more information about the points we've discussed on this page. Chicago Title and Trust Company, 111 West Washington Street, Chicago, Illinois 60602.

Miss Sharon Koch Is Engaged

Mr. and Mrs. Charles E. Koch, 1608 Pontoon road, are announcing the betrothal of their daughter, Miss Sharon B. Koch, and Arvil V. Taylor Jr., whose parents, Mr. and Mrs. Arvil V. Taylor Sr., reside on Rural Route One.

The bride-elect is employed at the Granite City Army Depot. Her fiancé, a student at Southern Illinois University-Southwestern campus, also is employed by H & K Construction Co. Both are graduates of Granite City high school.

Plans are being made for a spring wedding.

Eight and Forty Officers Named

The June meeting of Madison County Salon 53 of the Eight and Forty was held at the American Legion Home in Venice Tuesday evening. Mrs. Norma Hillmer, chapeau, presided and plans were made to attend the state departmental convention in Chicago July 30th and 31; 12 members plan to attend.

Election of officers was held, with the following being elected for 1967-68: chapeau, Mrs. Opal Hohmann, Altone; demi chapeau premiere, Mrs. Mary Ballentine, Madison; demi chapeau deuxième, Mrs. Leona Best, Collinsville; laarchiviste, Mrs. Norma Hillmer, Madison; laaumier, Mrs. Mada Paul, Collinsville; and laconcierge, Mrs. Joyce Austria, Madison.

Delegates to the convention elected were Mrs. Hillmer, Mrs. Hohmann and Mrs. Ballentine. Alternate delegates to the convention will be Mesdames Berntha Hite, Jeannette Cummings and Kathryn Fellers.

A social hour followed the business meeting, with Mrs. Fellers and Mrs. Ruby Wagner as hostesses.

The next meeting will be held July 18 at the Rose Bowl in Granite City. There were 12 members in attendance.

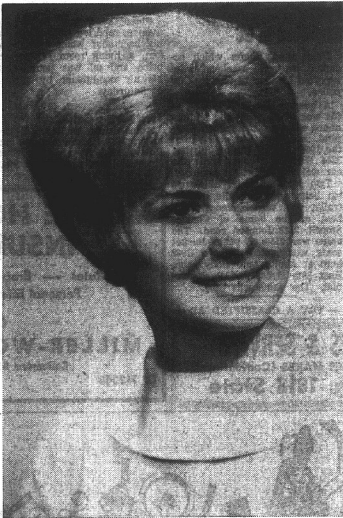

Past Chiefs Hold Closing Luncheon

A luncheon meeting at noon Monday concluded the current season's activities for the Past Chiefs of the Pythian Sisters. Members were entertained in the home of Mrs. Elizabeth Best, 2633 East 24th street.

Mrs. Olivia Lehman, president, conducted a business session, with plans made to resume regular meetings in September. The remainder of the afternoon was spent at games.

The hostess awarded prizes to Mrs. Lehman, Mrs. Leola Arbogast, Mrs. Ella McKittrick, Mrs. Martha Montague, and Mrs. Nettie Conary. Also present were Mrs. Linda Schillingman and Mrs. Nell Hutchison.

ENGAGED. Miss Sharon B. Koch whose engagement to Arvil V. Taylor Jr., son of Mr. and Mrs. Arvil V. Taylor Sr., of Rural Route One, is announced by the bride-elect's parents, Mr. and Mrs. Charles E. Koch, 1608 Pontoon road. Wedding plans are for next spring.

AUGUST BRIDE-TO-BE. Miss Kathleen Gail Gross, whose engagement to Virgil V. Kirksey Jr., son of Mr. and Mrs. Virgil V. Kirksey, 2120 Waterman avenue, is announced by the bride-elect's parents, Mr. and Mrs. Joseph J. Gross of Glen Ellyn, Ill.

Gross-Kirksey Engagement

Mr. and Mrs. Joseph J. Gross of Glen Ellyn, Ill., are announcing the engagement and forthcoming marriage of their daughter, Miss Kathleen Gail Gross, to Virgil V. Kirksey Jr., son of Mr. and Mrs. Virgil Kirksey, 2120

Waterman avenue.

Miss Gross is a June graduate of Southern Illinois University-Carbondale campus, where she majored in elementary education. The bride-elect will join the Nameoki school faculty this fall as a first grade teacher.

Her fiancé, a graduate of Granite City high school, holds a Bachelor of Arts degree in business administration from Central Methodist College of Fayette, Mo. He will receive his Master of Science degree from Southern Illinois University-Carbondale in August and has accepted a position with the Burroughs Co. in St. Louis.

Miss Gross is a member of the Alpha Gamma Delta sorority. Mr. Kirksey's fraternity is Chi Delta. The couple will be married Aug. 19, in Glen Ellyn.

Walker-Cohan Nuptials

Mr. and Mrs. Harold L. Walker returned this week from a brief wedding trip and are at home at 2145 Cleveland blvd. The couple was married in a civil ceremony Friday evening at the city hall in Granite City with Magistrate Andrea Mateosian officiating.

Mrs. Walker is the daughter of Mrs. Pauline G. Cohan, 1311 Robin street, Venice, and the late Dr. Henry Cohan. She is a 1964 graduate of Madison high school. Her husband, whose parents are Mr. and Mrs. James Walker of Granite City, is employed at the Din Mathison Chemical Corp., Wood River.

Circle Three Closes Season

Members of Circle Three of the United Presbyterian Women's Organization met Tuesday at the First United Presbyterian Church for their final meeting of the season. Mrs. Louis Meek served as hostess to the group.

The entire day was devoted to a special project—preparation and sewing of cancer bandages. Fourteen women participated.

Mrs. George Malotki, chairman, was in charge and welcomed three guests, Mrs. Adolph Rickert, Mrs. Warren Chase and Mrs. Elizabeth Rowell of Memphis, Tenn.

Circle members will resume regular meetings in September.

Farmers Asked to Clean Combines before Cutting

Madison county's farm adviser, Warren W. Bundy, said this week he has been asked by an elevator manager to remind farmers to clean their combines before starting wheat harvest, and he offered advice for wheat being stored on a farm.

"To protect stored wheat from insect damage, sweep up and clean out all old grain, chaff and other debris inside and around the storage bin."

"Apply a water-base spray of 1.5-percent premium grade malathion (mix 3 ounces of 50-57 percent malathion emulsion concentrate per gallon of water) or a 2.5 percent methoxychlor water base (mix 14 ounces of 25-percent methoxychlor emulsion concentrate per gallon of water) to the ceiling, walls and floor."

"If the wheat is to be stored for one month or longer, treat it with a premium grade malathion dust (40-50 pounds of one-

Accident on Tracks

The rear of an auto driven by George Filcoff, 1530 Fourth street, Madison, was struck by a pickup truck driven by Kenneth Carver, Rural Route One, at 8:50 p.m. Monday on the Niedringhaus rail crossing. Both vehicles were on the tracks when lights started to flash and gates were lowering. Carver slowed and stopped to see when the train was. Carver was charged with following too closely.

\$120 Fine for Weapon

Carl Smith, 24, of 2313 East 23rd street, was fined \$120 Monday in magistrate's court on a charge of unlawful use of a weapon, a gun. He was arrested Sunday night on the parking lot of Club Delmar, 1832 Delmar avenue.

percent dust per 1000 bushels) or spray (one pint of 10-37 percent emulsion concentrate in three to five gallons of water). The dust is best applied on the surface of the wheat in the combine hopper; the spray as the wheat is augured or elevated into the bin."

Fireworks Illegal, Police Chief Notes

With the approach of the Fourth of July holiday, Granite City Police Chief Ronald Veizer reminded today that it is illegal to sell, store, discharge or set off any fireworks or to give any pyrotechnic displays except in public exhibitions.

He said violators will be prosecuted and penalties are fines ranging from \$5 to \$100, with each day considered as a separate violation.

Divorce Granted

Mary Smith of Madison received a divorce from Edwin C. Smith of Collinsville Tuesday in the Granite City division of circuit court of Associate Judge Austin Lewis. The couple was married March 10, 1955, in St. Louis, and separated June 3, 1966. Desertion was charged.

a "Lifetime Location" WILSON PARK ESTATES

No Decision Yet On Expense Fees For Mayor, Solons

Granite City will await action by General Assembly's legislative reference committee before a final decision is made on city officials' expense allowances late in the past fiscal year.

City Atty. Allen advised the council by letter Monday night that he had submitted the request for a decision to State Sen. Paul Simon, and that Simon had advised him the matter was referred to the committee.

The mayor and the council began a feud last December over the expense allowances. The council refused to authorize payment of the mayor's allowance, and while the aldermen kept authorizing payment of their own \$30 month expense allowances, the mayor refused to sign the checks.

Mayor Partney, who was absent on vacation Monday night, has stated he has legal opinions that the flat expense allowances authorized by the city for council members were illegal prior to enactment of a new state law last April.

Four Minor Thefts Reported in GC

Four minor thefts which occurred over the weekend were reported Monday to Granite City police.

A quarter-inch drill valued at \$54 was stolen from the maintenance shop at St. Elizabeth Hospital. A battery was stolen from the 1964 auto of James Jeffries, 2344 Wabash avenue, while the car was parked at his home.

Two pairs of water skis, two ski belts and a paddle, plus a trailer tire, were stolen from a boat at the home of Charles Smock, 2142 Johnson road. The value was \$150. A set of bucket seats was stolen from a 1962 auto at Abel's Auto Body shop, East 20th street and Park avenue. The value was \$100.

American National Bank & Trust Co., Chicago, was paid \$23,372 for the 3.85 percent sewage treatment plant construction revenue bond issue.

Two Autos Collide

Autos driven by Henry J. Helbrich, 2437 Hodges avenue, and Robert E. Hays, 2503 State street, collided at 5:10 p.m. Monday at 2202 East 26th street.

Vandals Damage House

Peter Santagato, 4070 Veseli avenue, reported on Monday that his basement window was broken, a living room screen was pried and oil was poured into his air conditioner by vandals on Saturday.

Royalties Net \$15,000 To SIU Foundation

Royalties checks from inventions and research projects assigned to the Southern Illinois University Foundation on a profit-sharing basis have netted the foundation more than \$15,000, according to Kenneth R. Miller, executive director, at Carbondale.

These funds are plowed back into additional university research, Miller explained.

Three new inventions or research projects have been turned over to the foundation in recent weeks by faculty members under this cooperative plan for publishing or for patenting and obtaining commercial production.

One is a "Mag-O-Level," a golf ball-sized instrument which may be used to determine the evenness of any surface (horizontal, vertical or upside down), invented by Charles M. Rice, staff member in the school of technology.

Another is an "electrocardiac simulator" developed by Herbert A. Crosby, associate professor of technology, and John Novy, research assistant in cooperative research in design. This instrument is believed to be useful in training medical and laboratory technician students to interpret electrocardiographs.

The third is an educational publishing project—to publish in book form a report from a labor-management relations symposium, written by Robert G. Andre and Harry H. Smith, staff members at SIU's Southwest campus.

To Attend MacMurray
Norma Thorne, daughter of Mr. and Mrs. Thomas Thorne of Granite City, will attend MacMurray College, Jacksonville, in the fall. She is a graduate of Granite City high school where she was a member of the Latin Club, GAA, Russian Club and Spanish Club.

Named to Honor Roll
Sandra Stallings, daughter of Mr. and Mrs. Harold Stallings, 2886 Grand avenue, is one of 129 Illinois College students to be named to the second semester honor roll at the Jacksonville campus. She was a freshman.

Food Demonstration Set
Four-H Club girls will present a food demonstration at 7:30 p.m. today at a meeting of the Isabel Bevier Homemakers Extension unit at the home of Mrs. Lillian Adams, 4013 Rode avenue. Unit leaders will discuss "Your Clothes and Your Personality."

Junior Leaders at Boy Scout Camp; Season Begins Sunday

Thirty-four junior leaders, are at Camp Sunnen this week as the final preliminary to the start of the 1967 camping season of the Cahokia Mound Boy Scout Council. The group includes 16 Quad-Cityans.

Between 600 and 800 scouts are expected to spend one or more weeks at the camp, located near Potosi, Mo., during the six-week season opening this Sunday. Edwin Menke Jr., Uniwhi district executive, is camp director.

Some vacancies remain for various campsites and weeks, and troops not yet registered may still do so at the council office in Granite City.

Uniwhi (Quad-City) scouts at the camp this week include Jeff Worthen, assistant senior patrol leader, Troop 46, Nameok PTA; Austin Lewis Jr., senior patrol leader, Dan Scherke, assistant senior patrol leader, and Ron Kuehnkamp, patrol leader, Troop 8, United Presbyterian Church of Granite City.

Monte Lyons, senior patrol leader, and Craig Tarpo, assistant senior patrol leader, Troop 15, Eagles Aerie 1128; Ron Kuehnkamp, patrol leader, Troop 8, United Presbyterian Church of Granite City.

Textbook Collection
Assembled at McKendree College at Lebanon has assembled one of the region's largest collections of elementary school textbooks in contemporary use, according to an announcement by Librarian Robert Fitch.

Containing more than 1000 volumes, it is used in the college's division of teacher preparation and includes a set of all the texts in use in the region. It is available for study and examination by school administrators and teachers in the area.

Kuzma, senior patrol leader, and Steve Fischer, assistant senior patrol leader, Troop 12, Niedringhaus school PTA.

Tom Hadley, senior patrol leader, and Robert Meison, assistant senior patrol leader, Troop 122, Wilson PTA.

Gary Miskell, senior patrol leader, and Pat Selmer, assistant senior patrol leader, Troop 13, St. Elizabeth Church.

Kenneth Marti, senior patrol leader, and Dennis Foret and Joe Lannahan, assistant senior patrol leaders, Troop 18, Knights of Columbus Council 1088; and Randy Reer, assistant senior patrol leader, Troop 23, Long Lake fire department.

Others at Camp Sunnen this week include one from St. Jacob Troop 41, one from Edwardsville Troop 30, two from Highland Troop 42, two from Highland Troop 43, two from Maryville Troop 78, one from Collinsville Troop 88, three from Glen Carbon Troop 34, two from Edwardsville Troop 31 and one from Collinsville Troop 39.

Communications Course Offered This Summer
The extension division of the University of Missouri at St. Louis is sponsoring a summer course in writing communications. It deals with accuracy, thoroughness, conciseness and proper emphasis in the writing of memos, letters and technical papers.

The course, to begin in July, is designed for persons who seek advancement in supervision or management in business, government or industry. The non-credit course fee is \$25. Persons interested may contact the Conference and Short Course Office Extension Division, UMSL, St. Louis.

Containing more than 1000 volumes, it is used in the college's division of teacher preparation and includes a set of all the texts in use in the region. It is available for study and examination by school administrators and teachers in the area.

EMERAL L. OWEN JR.
Dr. Owen Returning To McKendree as Dean

Dr. Emmeral Lee Owen Jr. will return to McKendree College at Lebanon on Aug. 1 to assume the office of academic dean, according to Edwin E. Voight, college president.

Dean Owen served as McKendree registrar and associate professor of education for 11 years before being granted a two-year leave of absence to complete work on a doctor of philosophy degree.

The degree was awarded on June 3 by St. Louis University. His doctoral dissertation dealt with the role of the college registrar in Illinois higher education and was awarded a superior rank by the university graduate faculty.

McKendree Teacher To Tour Scandinavia
Dr. Ralph Marty, chairman of the McKendree College division of teacher preparation, left Monday for a 12-week tour of the Scandinavian countries of Norway, Sweden, Denmark and Finland.

Mrs. Marty will accompany her husband who is making the trip to inspect the elementary and secondary teacher training centers of the countries as part of the college's continuing improvement of its teacher training program. The Marty's will return to Lebanon in August and will visit Scotland on the return trip.

Op Girl Stars in Play Opening at EIU Friday
"Orpheus Descending," the first work of American playwright Tennessee Williams, opens tomorrow at 8 p.m. in Eastern Illinois University's Fine Arts Theater, Charleston, with additional productions scheduled for June 24, 26 and 27.

A Granite City girl, Miss Jerry Gaska, will have one of the leading roles in the play. She is the daughter of Mr. and Mrs. Joseph W. Straka, 2434 Delmar avenue. Tickets for the productions are available in the afternoon at the box office in the Fine Arts Center. Admission is \$1 for adults and 50c for children.

Lost, Unclaimed Items Accumulate at SIU-SW

A variety of lost and forgotten articles has been accumulating at the Southern Illinois University-Southwestern campus information desk in the University Center, posing a storage and handling problem.

Many of the more than 500 items are of a personal nature and have gone unclaimed for more than a year, dating back to the center's temporary housing in the Lovejoy Library.

"It seems inconceivable that inquiries weren't made on behalf of many of these articles," states Robert Essmuelier, business manager. "For example, we have collected more than 30 pairs of prescription glasses."

Essmuelier noted that most of the items accrue from deposits made at the information desk and forgotten, or they are "odd ends" picked up by custodians. Most objects lodged at the information desk are held for a reasonable time, then labeled as unclaimed property, he added.

Textbooks and library books are returned to the university, he said.

Although some of the accumulation is perishable food, many of the items are usable, such as keys, umbrellas, hats, gloves, shoes, rings and notebooks. Oddities include a chrome strip off a car, a package of metal screws and, in one case, a fetal pig which is ordinarily used in the biology lab.

Essmuelier said no definite policy has been established as yet regarding the unclaimed material but officials are considering discarding it once a year. He indicated a day may be set aside for persons to make last-minute claims and whatever isn't rightfully returned will be turned to Goodwill or the Salvation Army.

In the meantime, the articles will be stored in the University Center's general storeroom.

Local Youth Graduates At Computer Institute
Bill Dean Mank, 18, recently was graduated from Automation Training, Inc., St. Louis, a data processing training institution, after studying tab wiring and computer programming in residence at ATI since March.

He is the son of Mrs. Louis Mank, 2625 Highway 67, and is a 1966 graduate of Granite City high school.

Five Given Leaves to Study for Doctorates
The McKendree College board of trustees has granted leaves of absence to five faculty members to permit them to complete work on the doctor of philosophy degree in their chosen field of study.

They are art Prof. William C. Hodge, English Prof. David Packard, psychology Prof. Charles Alcorn, history Prof. Ralph Schurman and sociology Prof. Robert Brown.

Annual Financial Report for GC Shows Expenditures Topped Income

Granite City, in keeping with predictions by finance officials when the appropriation was set up a year ago, overspent its income of the 1966-67 fiscal year \$107,461, but still had year-end balances totaling \$50,731 when the fiscal period ended April 30, according to a report to the council Monday night by Comptroller Robert Stevens.

The report shows, however, that in retiring deficits developed during the year in several funds, the city dug deeply into long-standing balances, particularly the sales tax fund.

As a result the overall balance of \$50,731 with which the city started its current fiscal year on May 1 was \$26,101 less than the \$76,832 balance at the beginning of the 1966-67 period on May 1, 1966.

Stevens reported the general fund received \$301,448 in taxes during the 1966-67 year—representing 73% of the city's income—while another \$355,400 was received from other sources including sale of licenses and permits, sales tax receipts from the state and similar items.

Sales Tax Reserve Down
He pointed out that the balance in the sales tax fund at the beginning of the year was \$330,373, with receipts during the year amounting to \$589,855 for a total of \$919,228. Disbursements from the fund in the form of transfers to pay off deficits in other city funds totaled \$330,625, leaving a year-end balance of \$588,603 compared to the balance of \$330,373 at the previous year's end.

Payments out of the sales tax funds included a loan to the sewerage treatment plant construction fund in the amount of \$55,000, which was repaid; \$11,303 to finance repair of a Mayville road sewer break and the transfer of \$484,322 into other accounts.

Balance in the parking meters fund at the beginning of the year was \$92,551, with total receipts of \$47,782 and disbursements of \$37,632, leaving a year-end balance of \$102,699. The additional \$102,699, the report noted.

Stevens pointed out that a deficit in the maintenance of sewers fund of April 30 was \$10,497. "This fund borrowed \$89,350 in the fiscal year 1964-65 from the city's general fund for operation of the city's major departments," said Stevens, "and this reimbursement has not been made to date. Every effort should be made to correct this deficit in the next fiscal year."

City Lost Revenue
Because of the application of the Illinois Hedge-Burton law limiting certain tax rates for 1965 certain tax collections during 1966, the city department which showed a total disbursement of \$27,168 for Stevens recommended that the city council's finance committee consider the lowered rates in drafting the new city budget for this fiscal year.

The report shows that all general fund accounts had balances against total available funds of \$231,505 which included \$30,000 in transferred funds.

Street and Alley disbursements totaled \$72,269 against available funds of \$32,297, of which \$88,000 was transferred funds. Expenditures of \$141,441 in the sanitation department was paid out of available account funds totaling \$144,709, including \$56,000 in transferred funds. The general government expenses were made against a total fund of \$140,193 which included \$45,000 in transfers.

Two deficits existed in the general fund at the end of the year, amounting to \$186 in the animal shelter fund and \$381 in the contingent fund. Only deficit in the special accounts was the maintenance of sewers fund at \$102,699.

Salaries Expenses High
Salaries accounted for the bulk of expenditures in all major departments. Police department wages totaled \$280,399, while those in the fire department totaled \$235,400. In the street department salary costs were \$143,303.

Expenditures exceeded budget figures in many instances. In the departments of the general administration account the budgeted amount was exceeded in the executive account, the finance and accounting fund, the treasurer's office and for operation of the city's major departments.

The Civil Defense budget of \$10,000 was exceeded by \$15,712 with total expenditures of \$25,712. This resulted from the purchase of seven warning sirens for which the city will receive federal compensation, at least in part.

Fire Destroys Vacant Clubhouse on Rt. 111

Fire destroyed a vacant clubhouse at 4 a.m. Tuesday in an area fronting on Route 111 across from the Lakeside airport property.

Long Lake firemen, who were unable to pinpoint the cause of the fire, said the roof was ablaze and most of the interior was gutted when they arrived at the scene.

The fire threatened to spread from the one-story frame clubhouse to a nearby home but they were able to limit damage to the latter structure despite intense heat.

The clubhouse burned to the ground. Identity of the owners was not immediately determined.

Jailed in Lieu of Fine

David R. Farley, Jr., of 2210 East 21st street, was fined \$120 but was sent to the county jail in lieu of fine Monday on charges of reckless driving, improper muffler and disorderly conduct.

Bi-State Employs New Airport Mgr.

S. W. Sisk, operator of Downtown St. Louis Airport near Collinsville, will take over management of the Bi-State Parks Airport near Cahokia for the Bi-State Development Agency, it was announced Tuesday by Col. R. E. Smyser Jr., executive director of Bi-State agency.

Sisk will assume management on July 1, succeeding Oliver L. Parks, who resigned as airport manager April 15. Col. Smyser said a contract agreement with Sisk was reached after the agency studied several management proposals.

Col. Smyser said Sisk plans to transfer a substantial portion of his activities to Bi-State Parks Airport where the improved facilities will enable him to expand and enlarge his activities. Under the new management, every effort will be made to expand the scope of services now available at Bi-State Parks and make it a general aviation airport second to none in this area.

City Needs Bigger Truck For New Insect Sprayer

Insect spraying is expected to be started in earnest in Granite City within the next week or 10 days—after the city council buys a larger three-quarter ton truck to haul around the larger spray unit recently purchased.

Street Supt. Warfield, who has been given the responsibility for spraying, said during Monday night's council session that the sprayer is the finest he has seen and praised the committee headed by Alderman Dallas for its selection.

LT. JOHN HACKNEY

Hackney Commissioned As Infantry Lieutenant

John T. Hackney has completed 23 weeks of intensive training, graduating from the Infantry School, Fort Benning, Ga., and receiving a commission as a second lieutenant in the Army.

He is the son of Mr. and Mrs. Ralph Hackney, 622 Broadway, Venice, and husband of the former Marcee Scheffel. They and his sister, Libby, attended the graduation.

A 1955 graduate of Venice high school, he has received as his first assignment a tour of duty at Fort Gordon, Ga. He and his wife will reside there.

His brother, Ralph Hackney, an airman first-class, is serving with the 759th Aircraft Warning Squad in Alaska.

City Needs Bigger Truck For New Insect Sprayer

Insect spraying is expected to be started in earnest in Granite City within the next week or 10 days—after the city council buys a larger three-quarter ton truck to haul around the larger spray unit recently purchased.

Street Supt. Warfield, who has been given the responsibility for spraying, said during Monday night's council session that the sprayer is the finest he has seen and praised the committee headed by Alderman Dallas for its selection.

Dallas explained that while the new sprayer will not fit on the jeep the city now has in operation with smaller insect foggers, he has been advised the jeep is ready to fall apart anyway.

Dallas explained that with a pickup truck, the spray machine operator will be able to carry two drums of the mixture and will not need to be constantly going back to the supply point to replenish the sprayer.

Do Job of 2 Foggers "This should be a considerable savings of time and cost," Dallas remarked, and Warfield added that the new machine should be able to do the same job as the two smaller units the city has had in operation.

Bids for the truck are to be opened in time for next Monday night's council session. Alderman Fry remarked that it appeared the committee had erred in not buying a machine that would fit the jeep, since the city has two such vehicles

Sewer Bond Issue Legal Papers to be Ready Next Week

A meeting of the Granite City council's Special Sewer Committee is scheduled for this evening to wrap up the detail work for the issuance of \$125,000 in revenue bonds to finance construction of sanitary sewer lines.

Announcement of the meeting was made by Alderman Bartosiak, committee chairman, at Monday night's council session.

He said there was not sufficient time to prepare the ordinances for that night's council session, and that the committee is to meet with representatives of the engineering firm of H. W. Lochner & Co. and Horace Calvo, bond attorney, to have legal documents ready for next Monday's council meeting.

Bartosiak said other locations in the city without sanitary sewers are being discovered. At present, the entire North Granite area, several sections of West Granite and sections of the Nameoki area have no sanitary sewer connections. Householders are to pay regular tap-on and rental fees.

The June 10 bond issue election included a portion of the funds needed for the sanitary sewer program. The city also is to prepare for issuance of general obligation bonds for the initial project to separate storm water and sanitary sewage in the older section of the city.

Detailed plans have not yet been prepared by the engineer, Bartosiak told the council. The city council has agreed that all bonds issued in connection with the \$1,900,000 bond issue election are to be sold on a bid basis.

Larry Beadle Promoted During Duty in Vietnam

Larry J. Beadle, son of Henry J. Beadle, 4732 Vincent street, and Mrs. Sarah M. Beadle, Granite City, has been promoted to specialist-four by the Army at Duc Pho, Vietnam. His address there is HBB 2, 320 Arty., 1 bde, 101 Abn. Div., APO 9587, San Francisco, Calif.

He is a mail specialist. He completed basic training at Fort Benning, Ga., Oct. 5, 1966, and previously was stationed at Long Thanh. Beadle graduated from Granite City high school in 1965 and was employed at McDonnell Aircraft Corp. as an electrician.

Motorcycle, Auto Collide A motorcycle driven by Robert E. Dawes, 17 Terrace lane, and an auto driven by David E. Dulgeroff, 3002 Franklin avenue, collided at 8:40 p.m. Monday at 77th street and Madison avenue.

Two Hubcaps Stolen Two hubcaps were stolen from a 1963 auto owned by Danny Hawkins, 3145 Felling road, while the car was parked at his home, he reported Monday.

Auto Hits Library; Causes 2nd Crash

Andrew McMillan, 20th street and Delmar avenue, lost control of his auto, which jumped the curb and ran into the Granite City public library at 20th street and Delmar avenue at 3:30 p.m. Monday. He was charged with careless driving. The four tires on the auto blew out.

It also caused a second accident as Cecil E. Jones, 4912 Kirkpatrick Homes, looked back to see the damage and struck the parked auto of Joseph Copeland, Wood River.

RED BARN

Boyd Takes Chair — Misses Voting

Third Ward Alderman Clyde Boyd was elected by Granite City council members to preside as mayor during Monday night's council session, and it wasn't until the final minutes of the three-hour session, that it was discovered Boyd was not voting on any of the issues at hand.

The hourly rate for the part-time sanitation department workers is \$3.17, while a street worker is paid at the rate of \$3.38. Council members authorized preparation of an ordinance to make the change.

Approval was given for purchase of a 25-gallon drum of insect spray, which Dallas said cost the last the entire summer.

Warfield was only recently given the responsibility of supervising the insect spraying machines. In past years, the work was scheduled by the city inspector's office.

Boyd commented to Pendleton, "Just put me down as 'aye' on everything."

Mayor Partney was absent for vacation and is spending a week on a fishing trip.

Local Sky Diver

Fractures Fly
Sam Campbell, 20, of Rural Route One at Sunny Dell Ave. is recuperating from a fractured left foot suffered in a sky-diver parachute training jump at Hunter Air Field, Sparta.

Campbell, son-in-law of Mr. and Mrs. Lloyd Mouser, Rural Route One, was admitted to the Sparta Community Hospital for treatment and was released this week.

He was making his third jump with a 28-foot chute and was trying to maneuver the chute when he landed hard. He is an employee of the Fischer Body plant in St. Louis.

Award Ranks Olney Firm

With GC Dept, 2 Others
Award of the Minute Man flag to employees of the American Machine and Foundry Co. at Olney was announced yesterday by Arnold J. Rauen, U. S. Steel vice president for Illinois, who said this ranks the firm along with the Granite City Army Depot and two other companies in the only ones in southern Illinois qualifying for the flag since World War II.

The award is to be presented in special ceremonies at the Olney plant at 3 p.m. tomorrow in behalf of the 640 employees who earned the flag. They signed up to reach in excess of 50% participation in the Payroll Savings Plan to purchase U. S. Savings Bonds and the new Freedom Shares through voluntary payroll deduction.

'We Want to Spend \$450,000 in GC'

Water Co., City Differences Over Tank and Franchise Still Unsettled

City and water company officials laid it on the line for each other in a 35-minute verbal exchange at the outset of Monday night's Granite City council session.

The East St. Louis & Interurban Water Co. wants a tract west of the Tri-Mor Bowl request for construction of a \$450,000 water storage reservoir with 2,000,000 gallon capacity; while the city wants to hold up the zoning change to dicker for a franchise.

The council held the upper hand at the close of the debate by placing the water company's request for reconsideration on file, but the issue is expected to be revived next Monday night following a meeting Saturday between the firm's officials and the council's Fire and Water committee.

Option Expires June 30
J. G. Carns Jr., vice-president and manager of the water company, stressed that the firm has only one option on the property that is due to expire June 30 and has to get rezoning approval by that time.

"Someone else is interested in the property, and we probably won't be able to renew the option," Carns told the council.

He was given five minutes to present his case to the council, with the added provision for answering all questions.

First, his letter to the council was read by City Clerk Perdicione, and then Carns was permitted to speak.

Nom hurried a volley of criticism at the water company.

Stalling Tactics Charged
Nomm charged the company with stalling franchise negotiations for the past 15 years, failure to provide proper water pressure and adequate fire hydrants and improper repairs to street excavations.

Defense of the water company was voiced by former mayor Alderman Moerlein, who said he checked franchise talks between the company and city and found it had dropped the ball and that the company had always been available to continue the talks.

Nomm charged that the new storage reservoir was more for the benefit of the Mitchell and Pontoon public water districts than Granite City. Carns replied that Granite City would benefit greatly, with improved pressure and that studies showed the added water supply would be necessary by the summer of 1968 to provide adequate service.

"It will take a year to build the reservoir and pumping station," Carns added.

Urges Hold Out
Nomm continued to urge the council to hold out until the water company provided "adequate pressure." He repeated earlier statements that pressure was inadequate at the May 26 fire in Lincoln Place.

Carns said that unless the reservoir is built the company will be unable to maintain a proper pressure level, and that tests after the May 26 fire showed there was a sufficient amount of pressure in the lines.

Alderman Fry, chairman of the Fire and Water committee, said a test is to be scheduled at the scene of the Lincoln Place fire to simulate conditions at the time of the blaze and then run tests on pressure.

"We'll have American Steel Foundries operating its fire equipment and have the fire department pumps in operation," Fry said.

Spending \$450,000
In his letter to the council, Carns said he was "dismayed and concerned over the city council action," of June 9 in turning down the zone change. He stressed that the company was willing to spend \$450,000 in Granite City to improve service and provide adequate service in face of the community growth and the public would be penalized by the council's refusal to grant the zoning change.

After Carns had spoken, the council members took turns firing questions at him.

Robertson wanted to know why the water company hadn't complied with his June 9 request for a plat of the site to determine if the reservoir would interfere with his proposed north-south street. Carns replied that an engineered map had been submitted to the city with the zone change petition.

Alderman Robertson said he had called for the map to study and there was no reply from the water company. The petition was presented to the City Plan Commission several weeks ago, he was told.

Assessment Protest
Alderman Parney asked Tax Collector E. R. Rich if the water company had yet paid its back taxes. He was advised that the company was not in arrears on any payment. Carns later explained the company was protesting a tax assessment of property owned by the city.

Alderman Johnson asked why the water company had not complied with the city's request for a plat of the site to determine if the reservoir would interfere with his proposed north-south street. Carns replied that an engineered map had been submitted to the city with the zone change petition.

Zone Change Under Study
In other business, the council referred to Seventh Ward Alderman Jarrett and Robertson a zoning change request for 2605 Washington avenue, submitted by John Kreyovich and Walter Kozicki. The request is for a change from R-2 single family dwelling to R-5 multiple family.

Tri-City Medical Society Elects 1967-68 Officers

Dr. Frank B. Dioneda was named president of the Tri-City Medical Society at a recent dinner meeting held in the Coast Bowl restaurant. The occasion combined the society's annual election meeting with a special recognition ceremony honoring two local physicians.

The new president succeeds in office Dr. Melvin J. Freedman. Other physicians elected to office in the medical group for 1967-68, include: Dr. Leslie G. Reed, vice-president; Dr. Hector Zevallos, secretary; and Dr. Felecia D. Koch, treasurer.

A special honor was paid to Dr. G. E. Halyama in recognition of his 50 years' service to the local community. Also honored was Dr. Lawrence Farris, a St. Elizabeth Hospital pathologist, who is leaving the area to join the staff of a Florida hospital.

DR. F. B. DIONEDA
Pvt. Joyce Completes
Advanced Army Training
Army Pvt. Dennis R. Joyce, 24, son of Mr. and Mrs. Gordon Joyce, 1945 Cottage avenue, has completed eight weeks of advanced training as a combat engineer June 16 at Fort Leonard Wood, Mo.

He received instruction in combat group tactics, use of infantry weapons and engineer reconnaissance. He also was trained in the techniques of road and bridge building, camouflage and demolitions.

JACK HART CHEVROLET

To all my friends and customers, I say thanks for your past patronage. I have entered doing business with you in the past and if you're in the area of Nokomis, stop and see us.

Flouridation Delay

Carns replied that the water company could act only when all the cities it serve make the request. "Such action could be rescinded after a company goes to the expense of installing special equipment and there also could be lawsuits in areas where no approval was given by individuals maintaining harmful results." He added that the Granite City and East St. Louis distribution systems are interlocking.

Non-remarked the city needed the reservoir to bargain with the company. "For two years, no study have been taken to improve the fire protection here. If we leave you off the hook now, you won't be back until you need something else. One of your own men told me that if you had increased the pressure at the time of the Lincoln Place fire, you would have broken the mains."

The water company official protested that a steady pressure is maintained in all lines, and there was no danger of a break. "The storage tank will add water for fire protection and will benefit the entire system for Granite City. Basically, you need storage," Carns added.

Lines at Capacity
Carns said the lines were at capacity, and that the amount of water available dictates what can be sent through the lines. "That's why this tank for added storage should not be a negotiable item here."

The next order of business was another letter from the water company advising the council of the recent installation of a fire hydrant at Denver and Union streets.

State Proposes Share-the-Cost Drainage off Nameoki Rd.

The state's forthcoming project for improvement of Nameoki road from Granite City to the 1270 intersection at Mitchell includes a proposed 60-inch drainage line from Bremen avenue to the Nameoki area storm water installation. The line has been estimated to cost \$38,000, and the state highway department is calling for the city to pay \$15,000 of the cost, since a 42-inch line would be sufficient to drain the highway at Bremen, Wilson and Union avenues.

Robert Kronst, district highway engineer at French Village, Ill., letter to the city council Monday night, pointed out the size of the line could be enlarged to the 60-inch diameter to permit the city to connect laterals along change from R-2 single family dwelling to R-5 multiple family.

Items to Be Purchased
The items include a four-wheel drive utility truck, a pressure cleaner, a typewriter with a 15-inch carriage and a calculator. Two bids were received for the truck—\$2,077 by B. E. Hault, Inc., and \$3,994 by Brewer Motor Co. A lone bid of \$255 was received for the calculator.

GC Rotary Plans Installation Dinner

The annual dinner for the installation of the new Rotary officers elected early May will be held Saturday at the Sunset Hotel Holiday Inn. It was announced at the Granite City Rotary Club weekly luncheon Tuesday at the YMCA.

Arthur Koerner, cashier at the American National Bank, will be installed to succeed William H. Thoeke as president. Koerner will hold office for the 1967-68 year, while Thoeke will become the new second vice-president of the club.

Realistic Agreement
Carns said that type of agreement would be realistic. Moerlein recalled that he started the franchise negotiations and always found the water company ready to talk.

Nomm commented that the company's offers were not acceptable. "Ten years ago they offered \$10,000-a-year to the city."

Alderman Dallas entered the discussion and accused the company of using the people to pressure the city.

Carns replied that the company wouldn't spend \$450,000 for a facility if it were not needed. "We can't make them give us a franchise," Nomm remarked in calling for a vote on his motion to file Carns' letter.

Alderman Moerlein had the final say before the vote—"Withholding the tank will only hurt the city."

Speeding Charge Filed
Richard Paoli, 217 Edison avenue, was charged with speeding at 1:45 a.m. Tuesday at 26th and State streets.

The next order of business was another letter from the water company advising the council of the recent installation of a fire hydrant at Denver and Union streets.

GC Steel on List of 500 Largest Firms in Nation

Twelve two-state metropolitan area firms, including Granite City Steel Co., are listed among the 500 largest industrial corporations in the country, according to a survey compiled by Fortune Magazine. The other 11 firms are based in St. Louis.

The survey listed Granite City Steel as ranking 421st on the basis of 1966 sales which amounted to \$168 million. Monsanto Chemical was listed as the nation's 37th ranking company in terms of 1966 sales.

Wilbur Trimpe Honored

Wilbur Trimpe, Madison county superintendent of schools, has been chosen to receive the General Award presented by the Illinois Association for Health, Physical Education and Recreation. It was announced yesterday.

Trimpe is to receive the award at a luncheon meeting of the association's annual convention in Chicago next Nov. 17.

Do FALSE TEETH

Rock, Slide or Slip?
PASTED, an improved powder to be applied on upper or lower plates, holds false teeth more firmly in place. Do not slide, slip or rock. No gummy, gooey, sticky taste or feeling. No irritation to gums. (Does not sour. Chewing plate color brightens.) Get 24¢/box at drug counters everywhere.

Immunization, Shots Are Also for Adults

Toxoids and vaccines are a must for children. They can protect them from the dangers of small pox, typhoid, tetanus and others.

But many adults who were vaccinated in their childhood, seem to have forgotten the importance of this protection. Positive prevention does not always last forever and many adults have neglected necessary booster shots. It is important that all adults visit their physicians as soon as possible to get this adult protection.

YOUR DOCTOR CAN PHONE US when your medicine. Pick up your prescription if shopping nearby. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Carrots Provide Economical Vitamin A

When choosing vegetables, count on carrots for an inexpensive source of vitamin A. Here are some tips from University of Illinois foods specialist for serving carrots:

Raw carrot sticks or "curls" make easy to eat "finger foods." Serve them alone or with other raw vegetable relishes. To make carrot curls, cut thin slices of carrots with a vegetable peeler. Curl them into rolls and fasten with a toothpick. Place in a bowl of ice cubes until serving time. Remove the toothpicks before serving.

Use crunchy raw carrots to add color and texture to salads. Garnish your favorite tossed green salad with carrot "curls." Combine shredded raw carrots with shredded raw cabbage for a colorful appetizing slaw. Add raisins or peanuts for variety. Make a delicious molded salad by adding shredded raw carrots

and canned crushed pineapple to lemon gelatin.

Cook carrots until tender-crisp, not well done, and vary the seasonings. Garnish cooked carrots with chopped parsley, or combine them with other vegetables, such as diced celery, tiny onions, baby limas or cauliflower.

Bake carrots when you are using the oven to cook a roast or meat loaf. Carrots and onions are especially flavorful when baked together. To prepare this combination scrape the carrots and cut them into thin strips as for carrot sticks. Use one medium-size, sliced onion for three to four carrots. Place in a baking dish and season with salt. Add about one-fourth cup of milk, and bake one hour at 350 degrees.

The Meat Thermometer

When roasting a standing rib of beef, a large ham or a leg of lamb, you'll be wise to use a meat thermometer to know exactly when the meat is done.

The problem is that it's almost impossible to get the meat into the average oven if you insert the thermometer at the top of the roast. So put the thermometer into the side of the roast instead. Just be sure the bulb rests in the thickest part of the meat and doesn't touch the bone. It makes no difference whether you read it from the top or the side.

Tackle Hazards With Spring Cleaning

Traditional spring cleaning adds comfort and beauty to your home. But it also removes accident and fire hazards. As you search from cellar to attic to find and then fix conditions that might cause accidents, keep these suggestions in mind:

See that cellar stair treads and handrails are in good repair. Inspect and clean—or have cleaned—the furnace and heaters, and don't forget flues and chimneys. Get rid of ashes, oily rags and other flammables unless they are kept in closed metal containers. Ground any electrical appliances, especially washers and driers.

Be sure to skid-proof all small rugs, and check stairways and hallways for lighting and repair needs. Replace worn cords and damaged plugs on electrical

equipment, clean stove vents and replace broken windowpanes. Install grab bars and non-slip mats in bathtubs, and discard all old medicine and drugs.

Destroy rubbish, papers and other burnable items that accumulate in the attic. And be sure that there is open ventilation with adequate air circulation.

Don't overlook the garage and yard either. Police the area! If it doesn't grow or isn't nailed down, pick it up.

But don't let your spring cleaning cause accidents either. Be sure that the ladders you use are in good condition, and use them at safe angles. Don't remove storm windows when it is windy. And above all, don't try to do too many jobs in one day. Plan jobs, area by area, and allow time for thoroughness and safety.

Freezer-Storing sweet Cream

Can sweet cream be frozen satisfactorily? If so, what is its storage life? How should it be thawed?

Sweet cream that has been pasteurized and that has at least 40 percent butterfat can be frozen satisfactorily, reports Mrs. Aiko Perry, member of the food research staff, University of Illi-

nois Department of Home Economics.

It can be stored for two or three months without marked deterioration. However, it should be packaged properly in waxed containers and frozen as rapidly as possible. The storage temperature should be 0° F. or lower.

Thaw the cream in the refrigerator or at room temperature and mix it lightly before you use it.

Cream with less than 40 percent butterfat is not satisfactory for freezing. The low temperature causes the butterfat to separate from the milk or whey.

Say 'No' For Safety Sake

There are occasions when parents should say "No" to their children. And many of the "No" occasions concern riding in a car.

Say "No" to lollipops and ice-cream-on-a-stick while children are riding. Hitting a bump or a swerving of the car may turn the treat into a threat to your child's life. At "treat-time," play it safe and take a break from riding.

Say "No" to all rough-housing, friendly or otherwise. When children get out of hand, pull off the road or highway and stop. Let them settle their differences out of the car.

Say "No" to hard, sharp-edged or heavy toys for car-riding amusement. Such toys can be hazardous even when not in use. Stowed on the rear deck, they can fly like shrapnel when the car makes a sharp turn or stops suddenly.

State Capitol NEWS

"Battered Child" Law Effective

Reports of suspected cases of child abuse since enactment of the Illinois "battered child" law on July 1, 1965, will top the 1000 mark sometime this summer, Cyril H. Winking, director of the Department of Children and Family Services, said this week. Winking said hospitals and physicians continue to report an

average of nearly 40 cases per month, a pattern established early in the department's administration of the law.

During the 10-month period ending April 30, 384 cases were reported. There were 405 during the same period the previous year. A sharp decline was noted in the number of reported deaths. Twenty-four deaths reported for the 10-month period, compare to 43 deaths in the same time span the previous year.

The state Child Abuse Law requires physicians and hospitals to report to the Department of Children and Family Services all suspected cases of abuse within

24 hours of the examination of the child. The law gives those filing reports immunity from prosecution.

Fellowship Winners

Winners of two fellowships worth \$2000 each for study in Illinois history during the 1967-68 academic year were announced by Clyde C. Walton, state historian, on behalf of the Illinois State Historical Society and the Illinois Sesquicentennial Commission.

The State Historical Society fellowship went to Ralph W. Scharnau, of 2007 East 'B' street, Belleville, an assistant professor of history at McKendree College, Lebanon.

The Sesquicentennial Commission fellowship was won by John D. Haeger, 1411 W. Albion, Chicago, a graduate student of Loyola University, Chicago.

Winners were selected by a State Historical Society Committee headed by Gunnar Benson of Sterling. Both winners have completed studies for their doctor of philosophy degrees in history, with the exception of writing their dissertations. And both say that the fellowship fund will make this necessary step possible.

Mental Health Expansion

The Illinois Department of Mental Health expects to expand services to treat 200,000 persons

during the next biennium, provided that the Illinois legislature approves the department's proposed budget.

The department's "Report of Planned Programs and Employee Utilization" for the 75th biennium in part justifies a request for a \$512 million operating budget that includes an increase of more than \$182 million over the previous biennium.

The bulk of the increase, some \$98 million, is requested for employment of an additional 5400 persons in the department in the next biennium.

AS SEEN ON TV

Mental Hospital For Vets To Be Dedicated June 25

The modern concept of a mental hospital for the care of veterans will be demonstrated and shown to the public during dedication June 25 at the Veterans Administration Hospital, Danville, Ill.

Ceremonies headed by Administrator of Veterans Affairs William J. Driver will mark the near completion of the fifth and final stage of a modernization program which has changed the original soldiers' home into one of VA's finest hospitals.

Being dedicated are three type, already activated, and an almost completed general activities building which will serve the entire hospital.

Tours of the facilities will enable visitors to see for themselves the long steps VA has taken in the care of the mentally ill, although the Danville hospital is no longer exclusively a mental hospital but provides treatment to medical and surgical patients as well.

1600 Patients

For many years Danville has had an average patient load of about 1600 psychiatric patients. Today it still has approximately 1600 patients, but more than 200 beds are in a general medical and surgical building and serve the community as well as psychiatric patients having medical and surgical conditions.

Even psychiatric patients find few doors locked. In fact the three new buildings were constructed with maximum freedom for patients in mind. Six patients out of seven have complete freedom of the grounds.

The new treatment buildings, each with 240 beds, are distinct in appearance from any other structures at Danville; being all on one floor they require no elevators and were designed along functional principles. They are the first of their type being constructed by the VA.

\$10,600,000 Cost

Their cost along with the special activities building is about \$10.6 million. During earlier phases of the modernization another \$6 million had been spent on a new administration-treatment building, a new theater, a new boiler plant and the modernization of the medical-surgical building.

Still gracing the grounds are some of the old red brick barracks buildings, but these are gradually being eliminated as patient housing in favor of more efficient and modern structures such as those to be dedicated this month.

Danville is unusual among VA hospitals in that it shares a large ground area and some buildings with a junior college.

Three years ago the VA leased several buildings to the Danville Junior College which desperately needed a new home for its student body of about 1500. Last fall the seven buildings and 57 acres of unused hospital ground were deeded to the college. Meanwhile students and patients mingle in surprising compatibility.

Plans for the dedication were announced this week by Dr. Schaefer with the 2 p.m. ceremonies being the highlight of a busy day for the patients and 5000 visitors that are expected.
